

Says Election For Deputy-Reeve Useless, Guinea Pigs Of Dept.

Councillor Charles E. Boyd says Newmarket's forthcoming election for a deputy-reeve is "useless". At a council meeting Monday night, Mr. Boyd said, "We will be electing a deputy-reeve but we are probably going to lose a councillor. It is a ridiculous situation due to a fluke in the municipal act, and we are the goats."

The department of municipal affairs had ruled that a member of council had to resign from council before he entered as a candidate for deputy-reeve. Later the department changed its mind and ruled it was not necessary for a councillor to resign.

"I don't think it is at all satisfactory," said Mr. Boyd. "We are not going to be any better off."

K. M. R. Stiver, town solicitor, explained that two elections would be necessary if another councillor were to be elected to fill a vacancy, should a present councillor be elected deputy-reeve.

Mr. Stiver added that it is possible that no vacancy on council will occur. Someone outside council could be elected deputy-reeve, he said.

"There is no way of knowing who will be running until nomination night. We can't be sure that there will be a vacancy, and we must give 14 days notice if there is to be an election for a councillor," Mr. Stiver said.

One councillor said, "We might as well all run for deputy-reeve since we don't have to resign our positions on council."

Mr. Boyd said that he thought the intention of the act was to make it necessary for a councillor to resign his position on council before accepting nomination for deputy-reeve. Councillor Boyd said he discussed the act with a member of the department of municipal affairs on Monday.

"This type of situation has never been before the department before. Apparently the act will be changed but in the meantime Newmarket is the guinea pig," he said.

The solicitor said a deputy-reeve but not a councillor can be appointed if there is a vacancy after October 1.

"If a councillor is elected deputy-reeve, he will be required to resign his council position and be sworn in as deputy-reeve," said Councillor Dales.

"It was my understanding from the department that if a councillor were elected deputy-reeve, he could still retain his status as councillor and cast two votes," said Mr. Boyd. The solicitor said he did not think it was reasonable.

"I think it's useless to have an election anyway. We are getting nowhere," said Mr. Boyd.

Mr. Stiver said, "You are getting a deputy-reeve instead of a councillor."

SCRATCHED BY LION

The manager of the local Roxy Theatre is earning a reputation for handling wild animals. With monkeys and lions housed in the theatre lobby, his day includes all the duties of a keeper of the zoo. This week he received a slash across the back of his hand from the claw of a mountain lion cub.

WHAT'S AHEAD?

What's ahead in pork and beef prices? Read Top Six Inches on the editorial page for one man's opinion, recorded from reliable sources.

Only Two In Race For Job Of D. Reeve

With the election for a deputy-reeve less than four weeks away, only two candidates have definitely stated they would seek the office, Councillors Jos. Dales and Lorne Paynter. Councillor Charles VanZant, whom it was rumored would be a candidate, has said that he is not in the race.

Other candidates have been rumored. Names mentioned have been those of R. C. Morrison, Tom Birrell and George Byers, all three former councillors. None of the three have stated they intend to run but talk on Main St. continues to mention them as possibilities.

The election will be held on Monday, Sept. 22, with a nomination meeting on Friday night, Sept. 12, in the Newmarket town hall.

At the same time as the election for the deputy-reeve, Newmarket ratepayers will be asked to vote on the question of re-building Main St. Council voted four to three two weeks ago to put the question to a public vote.

Humane Soc. To Put Up New Shelter

Plans are underway for the erection of a pre-fabricated building to replace the present animal shelter north of Newmarket and operated by the North York Humane Society. The shelter will also have living quarters for the animal inspector and his wife and will enable the Society to give 24-hour service.

The present inspector is Jos. Boulding who has had ten years experience in Toronto, St. Catharines and Brantford.

Calls for the society's service may be made to 166-112 or if there is no answer there, call 1160 where Mrs. Gibbons will take the calls.

Other plans of the society include an ambulance service for small animals. When the new shelter is built, additional services such as boarding pets will be added.

So far, the society has handled 574 animals which have been either claimed by their owners, adopted by new owners or destroyed. The animal shelter is open 4 to 6 p.m. daily and on Sundays and holidays, 3 to 5 p.m. The society is active over the whole of North York and has assumed dog control responsibilities in Newmarket, Aurora, Richmond Hill and Sutton in return for the fees from dog licenses.

PET 'COON MAGGIE AND FRIEND GEORGIE WRIGHT

Georgie and Maggie are a couple of chums at the north end of town. Georgie Wright is 16 months old. Maggie is a pet 'coon which belongs to Georgie's brother, Watson Sweetie, owner of a menagerie consisting of the racoon, a pet crow, a white dove and a dark dove, some pigeons and a cat. For this picture, Jim the crow perched on Georgie's pen but became shy and flew off down Simcoe St. before the shot was snapped. The crow will accept food from anyone's hand. Georgie is the son of Mr. and Mrs. Jack Wright, 210A Main St.

SAME RINK WINS E. J. DAVIS CUP SECOND YEAR

For the second year in a row, the same rink has won the Hon. E. J. Davis trophy, bowled for annually at the Newmarket Lawn Bowling Club. There were 22 entries this year. The winning rink was Jack Luck, Bert Budd and Andrew Murdison, with a total of 58 plus one.

The second high rink with a score of 54 were old-timers Stanley James, Lyman Rose and Tom Doyle. Three Newmarket rinks were in the finals.

The Davis trophy is one of the oldest in the district and has been contested for over 28 years. Newmarket has won it six times during that period.

HOME FOR AGED IN LATEST STYLE

The new county home for the aged, to be built on Eagle St., west of Armitage Heights, is expected to be made up of a number of buildings.

Planning for such modern institutions tends to abandon the policy of one large building. The home for the aged likely will be several buildings with separate buildings for men and women and a building for married couples.

Before the announcement about the new home was made, Reeve Arthur Evans told members of council about a council committee discussing the proposal to build in Newmarket.

W. A. SOCIAL

The Women's Association of Trinity United Church, Newmarket, will open the fall season with a social afternoon on Thursday, Sept. 4. An invitation is extended to all women of the congregation to attend. The meeting will open at 2:45 p.m.

\$500 Offered To Aid Work Of Restoring Pond To Former Uses

A generous, \$500 contribution, was offered to support the work of cleaning up Fairy Lake. The offer was made by Frank Dennison who has long urged that something be done to restore the pond to its former beauty.

He came to the Era and Express office on Monday and said he would contribute \$500 to any public fund-raising campaign whose objective was to clean up the pond. "I believe that Newmarket has a wonderful natural resource in that pond if the town will only take steps to beautify the banks and clean up the water," he said.

There is not yet any campaign underway but there are encouraging indications of a growing interest in the undertaking. The pictures of Fairy Lake as it was in 1910 and as it is now, published in last week's paper, have provoked considerable comment. It was pointed out that restoring the pond would cost a good deal less than building a swimming pool and would provide a good deal more satisfaction to the public.

Commenting on proposals to clean up the pond, R. C. Morrison, former councillor, pointed out that if the area south of the pond were opened up for industrial and residential sites, that much of the work of cleaning up the pond banks would be taken care of by the owners of the property. He proposed that a road be built to the south, the land surveyed, and an effort made, through council or by present owners, to sell the land as an industrial-residential subdivision.

"Newmarket's present handicap is that it has no easy direction in which to expand," he said. He thought that the logical direction was to the south, along the railroad tracks. He thought too that Main St. might be extended along the old Metropolitan railway right of way. By opening up the area to the south, Newmarket would have room to expand industrially and at the same time, there would be greater encouragement to restore the pond as a beauty spot and public park.

RIDGES RATEPAYERS TO HEAR REPORT ON INCORPORATION

A meeting of Oak Ridges-Lake Wilcox Ratepayers Association will be held in Oak Ridges school, on Tuesday evening, Sept. 2, to learn the findings of a committee appointed earlier to investigate the possibility of that district being incorporated as a village. Major Alex MacKenzie, M.L.A., of Woodbridge, has been invited to speak.

Mr. Bill Hope, association president, will be chairman.

DRAMA MEETING

A general meeting of the Newmarket Dramatic Club will be held at the town hall next Thursday, Sept. 4, at 8 p.m. There will be general casting for the October play, a melodrama, "Lily, The Felon's Daughter." It will be a joint production by the Dramatic Club and the Optimist Club. Anyone is welcome to the general meeting.

Owner, Driver And Designer, Bray Champ

Ralph Bray, in his Number 20, was winner of the Soap Box Derby held on Main St. hill last night, sponsored by the Newmarket branch of the Canadian Legion. He breezed across the finish line several car lengths ahead. This is the second year in a row that Bray has taken the derby. Runners-up in the finals were Garry Gould and David Clark.

All sizes and shapes of soap box cars were seen in last night's race. Much attention was given to wheels and various types of suspension in the 1952 race. Bray was owner, driver and designer of the Bray special.

One remarkable design included wobbling wheels which gave the car an appearance of about to be falling apart. In spite of its bone-shaking performance, it won a heat. In an interview, the driver, Brian Millon, said that it was a new innovation of the wheel wobble theory to overcome friction and increase velocity.

It was an accident-free race except for one incident when a stunt performer wound himself around a parking meter.

Before the Legion Bingo, in the arena, prizes were presented. Every Soap Box contestant received a prize.

The Legion draw for a boat and outboard motor was also held at the arena last night. Winner was John Caulfield of Cobalt.

ANDREWS FAMILY HAVE REUNION

On Aug. 16, the Andrews family held a reunion at Sharon park with about 75 present. During the afternoon there were several races and games with prizes.

Mr. John Andrews, Newmarket, was the oldest person present and Donald Crowder, son of Mr. and Mrs. Bruce Crowder, Stouffville, was the youngest. Mr. and Mrs. Lorne Crowder of London came the longest distance. Barbara Davis, Toronto, received the prize for the first person to find Mr. X during the afternoon. He was Mr. Lorne Crowder.

It was decided that the reunion be held at the same place next year. Mrs. Roy Meads was reappointed president and Cecil Andrews treasurer. The Crowder family are in charge of the games and sports.

OPTIMISTS PICNIC

Members of the Newmarket Optimist Club and their families held a successful picnic at the new York County Park on Lake Simcoe. There were 75 present, including children. The program included races, horseshoe pitching and swimming. An enjoyable supper was served by the members' wives. It is hoped to make the event an annual one. The picnic was arranged by Don Warner and Nick Styke.

SEND COPY EARLY

Monday is the annual holiday, Labor Day, and the Era and Express, like all other businesses on that day, will be closed. Correspondents and advertisers are requested to assist in getting out next week's paper on time, despite the short week, by sending in their copy as early as possible.

Newmarket School Enrolment Said Going Steadily Up

Evidence of the growth of Newmarket and district is found in the increased school enrolments announced this week. Newmarket high school enrolment to date is up to 525 from last year's 475, and Newmarket public schools are up 70 from 791 to 861.

St. John's Separate school has shown an increase in enrolment of 24 pupils to date. The school capacity has been increased to include an additional 35 pupils during the summer by tearing out cabinet and locker space. The school teaching staff includes two Sisters of Providence and a lay teacher, Miss S. Carroll.

This year's enrolment will fill the high school to capacity. Although the increase is generally representative of the area served by the school, many of the pupils are coming from the Keswick-Jersey area where there have been substantial increases in the public school population.

One result of the increased enrolment is that the single lunch period has been replaced by a double lunch period with one half of the school lunching for the first 40 minutes and the other half lunching during a second 40-minute period.

The shortened lunch period means that school will be over at 3 p.m. instead of 3:15, a decided advantage for the rural pupils who must travel to their homes by bus.

Last year's teaching staff is intact and one new teacher has been added, W. S. Elliott of Maxville, who will teach English.

It is anticipated that the increased enrolment will show mostly in the upper grades, reflecting the earlier heavy influx of pupils from the public schools.

Home economics and shopwork classes will extend this year into grade 11 and next year into grade 12.

Newmarket high school area includes all of East and North Gwillimbury, sections 1, 2 and 6 of Georgina, and the area from two and a half miles south of Whitechurch town line as far east as the 6th concession.

PHOTO WINNER

GORDON MAINPRIZE

Last week's lucky farm photo winner was Gordon Mainprize of Holt. His farm is on lot 7, East Gwillimbury. He was in the office Friday to claim his prizes, an enlarged photo of his farm, and \$30 in \$1 coupons contributed by the merchants who are sponsoring the feature.

This week's lucky farm picture is on page 13. The owner of the farm may claim coupons and enlarged picture when he comes to the office and identifies it.

TRACTOR DITCHED DRIVER KILLED

Eric Olsen, 34, was almost instantly killed when a large farm tractor he was driving toppled down a 15-foot bank on the Maple-Richmond Hill side road Tuesday noon, a mile or so east of Maple. Dr. R. A. Bigford, of Maple, who performed the autopsy, said the victim's chest was crushed, his right arm was fractured at the wrist and several ribs were broken in pieces.

Vaughan township police said the tractor had gone to the shoulder of the road, travelled about 50 feet, and toppled over the steep bank 15 feet into the ditch. Olsen was an employee of Don Head Farms Ltd. of Richmond Hill and was proceeding east on the side road when the accident occurred.

TAKES SCARBORO POST

Miss Kathleen Mathews has accepted a position on the teaching staff of the Clairlea school, Scarborough.

Public Schools Near End Of Capacity, See Early Need For Rooms

Newmarket's public school population has increased by 70, according to the preliminary figures on public school registrations. Last September, the public school enrolment was 791. This year, according to the latest figures, the school enrolment is 861.

Two more classrooms are in use this year, one at Prince Charles school and the other at Alexander Muir school. There is still one more vacant classroom, at Prince Charles school.

Although there is adequate accommodation this year, there is evidence that present school population growth continues, schools will begin to be crowded again. The building of the Prince Charles school relieved pressure at that time but the school population is now beginning to catch up again and more accommodation will be required.

Centres of population growth are in the north and east sections of Newmarket and in the south and west sections. It is expected that the extra classroom at Prince Charles school will take care of the increase in that area for the time being but there is no extra accommodation in the south-west part of town. An addition to Stuart Scott school is a possibility; the construction team match had the joint and of another school in the not too distant future is another possibility.

PUPILS' LIST

On page three will be found a listing of all pupils for Newmarket public schools, and the schools and grades which they will attend when school opens on Tuesday, Sept. 2. The list is that prepared by the public school board and printed at the board's request.

BOY SCOUTS MEET

The Newmarket Boy Scouts will meet on Thursday, Sept. 4, at 7 p.m. in the Scout hall. Boys eleven and a half years and older can join and those interested are invited to attend this meeting and those that follow every Thursday.

WRESTLING TONIGHT

A four-bout card will feature tonight's wrestling at the arena. First bout gets underway at 8:45 p.m. Last Thursday's three man is a possibility; the construction team match had the joint and the customers jumping. Tonight's card promises to be another top notcher.

King Student Places Fourth In C.N.E. Public Speaking Contest

Michael Murray, age 10, student of Sacred Heart school, R. 1, King, won fourth place honors in the Canadian National Exhibition public speaking contest on Tuesday. He is the son of Mr. and Mrs. W. A. Murray. Michael won a \$20 prize for his talk entitled "The Worker," a story about the beaver. To illustrate his subject, he used sketches by another student at Sacred Heart, Keith McCormick. His coach was Sister Mary Fleurette, principal of the school, formerly principal of St. John's school, Newmarket.

He was one of eight in the finals and it was his first attempt at the exhibition. Ninety entered the preliminaries and Michael passed through three preliminary contests. Also students at Sacred Heart school, Mary Catherine Lawder made the first preliminary and Reta McCrohan made the third preliminary. The contest lasted for several hours. Students were at the scene of the contest at 9:45 a.m. After delays through the day, the contest ended at four o'clock in the afternoon.

COMING EVENTS

SATURDAY, AUG. 30 — Opening of North end bowling alleys. All are invited to come and enjoy a night of bowling. *1w35

THURSDAY, SEPT. 4 — Women's Association, Trinity United Church, 2:45. All women of the congregation are cordially invited to come and enjoy a social hour. c1w35

SATURDAY, SEPT. 13 — Opening dance at Mount Albert, Jackpot \$15, and other prizes. Modern and old time dancing to Norm Burling's orchestra. Dancing 9 to 12. Admission 50c. c1w35

ENJOY big band entertainment and the best in modern dancing to Norm Burling and his King's Men 10-piece orchestra, at Beaton, every Friday night. Opening Friday, Sept. 12. Door prize, 9:30 p.m. to 1 a.m. c1w35

EVERY THURSDAY NIGHT, euche. Bingo every Saturday, Time 8 p.m. In North Gwillimbury Memorial Arena. c6w28

WIDEN NO. 11 HIGHWAY, IMPROVE DAVIS DRIVE CORNER

The dangerous corner of Davis Drive and Yonge St. will be enlarged and improved when construction on No. 11 highway is completed. Above, Curran and Briggs Construction machinery is chewing down the hilltop south of the Davis Drive corner on Yonge. New pavement will be put down from the Ontario Hospital, south of Aurora, to a point 1,000 feet north of the Davis Drive corner. The road will be widened to three lanes from the Eagle St. stop light to the point north of Davis Drive. Five inches of new asphalt will be put on the highway. Cutting down the hill, above, requires the removal of the farmhouse in the background.

Vandorf News

Guests for Sunday at the Greenwood home included Mr. and Mrs. Wilfred Pipher and sons Ronald and Wayne of Orillia, Mr. Archie Pipher and grandson George of Stayner.

Mrs. Roy Harper and three sons, Mrs. Albert Ridley and three daughters are spending a few days this week at the Penrose cottage at Sandy Lake.

Mr. and Mrs. Ronald Hawtin and baby son of Ottawa are guests this week of the former's mother, Mrs. E. Hawtin.

Mr. and Mrs. Alfred Cope and family, also Mr. and Mrs. Bacon of Barnsville, Ohio, spent part of Sunday at Elmer Starr's home. Master Donald Cope returned home with them after spending the summer at his grandparents' home.

Mr. and Mrs. Arthur Starr and family of Vandorf and Mrs. E. Hawtin had Sunday dinner at Elmer Starr's home.

Mr. and Mrs. M. McNicol, accompanied by Mr. and Mrs. A. Penrose, were at the Penrose cottage, Sandy Lake, during the weekend.

Mr. and Mrs. Wesley Williams, accompanied by Mr. and Mrs. Fred Smith, Newmarket, motored to Sault Ste. Marie recently.

Mr. and Mrs. Arthur Fines of Toronto were Sunday guests at the home of Mr. and Mrs. M. Sheridan.

Mrs. Douglas McClure and Roger, also Miss Joyce VanLoven, were Wednesday dinner guests at the home of Miss Shirley Bredin at Newton Robinson. Glad to report Mrs. David Coates of Sharon is able to be home from a Toronto hospital and is at present convalescing at the home of her daughter, Mrs. D. McClure.

We wish Mr. George Fletcher, a patient at York County Hospital, a speedy recovery.

The Willing Workers are to be the guests of Wesley Ladies' Aid on Wednesday, Sept. 3, at the home of Mrs. Harry West, Bogartown.

Mrs. G. McClure spent the weekend with Mrs. A. Lloyd, Pine Orchard, while Mrs. G. Wood was on vacation with friends at Seaford.

WILLOW BEACH

Mrs. L. Grant and daughter Margaret of Port Robinson spent a few weeks' vacation with Mrs. Grant's parents, Mr. and Mrs. Percy Reed.

On Wednesday, Aug. 20, a miscellaneous shower was held at the home of Mrs. J. Mahovey in honor of a recent bride, Mrs. Leroy Thompson (Dorothy Draper), who was the recipient of numerous lovely gifts. Afterwards a delicious lunch was served, ending with toasts and good wishes to the happy bride.

Leading Seaman Leo McTaggart and Cliff Walker from the H.M.C.S. "Haida" spent a week with the former's sister, Mrs. Bill Thompson.

Miss Jane Chapman is visiting her grandmother in Islington for a few days.

Wesley United church Women's Association will hold their meeting at the church on Thursday, Sept. 11. The motto for the month is "Our friends either make or mar us." The program is in charge of the Willing Workers of Pine Orchard. Roll call is to be answered with a thought from the Upper Room. Hostesses are Mrs. Hawtin, Miss A. Dike, Mrs. B. Dike, Mrs. Bostwick and Mrs. Carl Greenwood. All ladies are invited to attend.

The Sunday service at Wesley was in charge of the Y.P.U. and those taking part were Jack Baber, Elsie Crawford, Laura May Coulson and Jim Sleeth.

Jim Sleeth gave a very inspiring message on his experience on becoming a Christian and also with boys' camp work.

The service will be in charge of a group of Gideons from Newmarket next Sunday.

Last Thursday evening a group of friends and neighbors gathered at the church for a pleasant evening in honor of Mrs. Bert Dike who has moved from this community to Queensville. She was presented with a beautiful occasional chair, end table and silk cushion by Mr. Robt. Brown and Jack Baber while Mrs. J. Oliver read the address.

A splendid program was given by Mr. Harry West, Mrs. Grant Morley, Mrs. Roy Morley and Mr. Robt. Brown as a mixed quartette. Miss Ann Crawford, piano solos; Mrs. Herbert Grimshaw and Mrs. Herbert Oliver, duets. Mr. Robt. Carr acted as chairman and a lovely lunch was served by several of the ladies.

A pleasant evening was held at Vandorf hall on Friday night when the charivari presented

Keswick News

Miss May Sprague has returned home after visiting friends in Stirling.

Mr. Melvin Morton of Toronto spent the weekend with his sister, Mrs. Winston Prosser, and Mr. Prosser.

Mr. and Mrs. S. Haddon of Toronto spent the weekend with Mr. and Mrs. I. Waldon.

Miss Hazel Sprague and sister of Newmarket spent the weekend with their cousin, Miss May Sprague.

Miss Agnes Campbell is spending a few days holidaying at her home here.

Mrs. Hyde and three children of Cadillac, Mich., are visiting Mrs. Hyde's parents, Mr. and Mrs. R. Hobson.

Mr. and Mrs. John Holborn have returned from their honeymoon and were given a rousing charivari on Thursday night.

Mrs. Fred Glover and Miss Marion Wright of Sharon spent the weekend at Mr. and Mrs. J. Wright's home.

Keswick was in carnival mood on Saturday for a day of sports and fun. The parade was headed by the Stewart Beare loud speakers playing lively military music. Roche's Point float of Honolulu with dancing hula girls in grass skirts and flowers, won the prize. Though the "Down on the farm" float and Pa and Ma Kettle's large family were certainly attractive. The car loaded with balloons and the children on decorated bicycles, doll carriages and the clowns and good sports who dressed for the occasion, "Roy Rogers", (Milford Rye and his beautiful horse) all deserve credit for making it an interesting parade.

At the new ball park back of the arena, there were all kinds of sports for grown ups and children until dark. The ball park and ground back of it which is to be filled with tables and swings is certainly a worth while addition to our village.

The booths were busy places an out-door concert added to the evening's enjoyment, while inside crowds enjoyed bingo and dancing until midnight.

Mr. and Mrs. Roscoe Brown and Mrs. Vera Herring are spending a few days with friends in Toronto.

Mr. and Mrs. Jack Powers of Guelph spent the weekend, the guests of Mr. W. Eves at Keswick Beach.

Whipper Billy Watson of Toronto has purchased a cottage at Keswick Beach and was serenaded Saturday night by the beach younger crowd.

Mr. and Mrs. Jimmy Pedlar and Mr. and Mrs. Bud Fisher of Toronto were among those attending sports day on Saturday.

The deepest sympathy is felt for Mrs. F. Heaton and family in the sudden death of Mr. Heaton Saturday. Mr. and Mrs. Heaton recently returned from a visit to friends in England. The funeral was held Monday afternoon in the United church, where both Mr. and Mrs. Heaton have been a great help in choir work. The wife and two sons and a daughter are left to mourn his passing.

Mrs. J. C. Miller of Orillia with three lady friends were guests of Miss B. Terry on Sunday.

Pine Orchard News

Last Friday afternoon the junior Sunday school class of Pine Orchard Union church, with their teacher, Elma M. Starr, and her assistant teacher, Joan Sytema, and Mrs. Jack Preston, who took one car load of the group, visited Dixon's pencil factory in Newmarket.

Though many of the machines were idle because of the holiday season, enough were in operation for us to gain a good idea of the history of the making of pencils. Then we visited the lingerie and casket factories.

We deeply appreciate the interest which our guides manifested in all three places which made this tour interesting and instructive.

This visit makes us desire to know more about the rest of our nearby industries and to appreciate their extent and value.

Mrs. Douglas Hope and Miss Helen Reid enjoyed a holiday recently on a trip along the Blue-water Highway.

Mr. and Mrs. John Sytema and Rosemarie, Mr. and Mrs. Ross Armitage and Mr. Harry Armitage attended a meeting of United Co-operatives of Ontario at Markdale and afterwards a picnic at Irish Lake recently.

Mrs. G. P. Wood spent the weekend with friends at Seaford.

Mr. and Mrs. James Hope holidayed over the weekend with Mr. and Mrs. Douglas Gilbert on Georgian Bay.

Mrs. G. McClure of Pleasantville spent the weekend with Mrs. Albert Lloyd.

The Church of Christ Sunday school held their annual picnic at Mr. Jesse Lundy's home, Cedar Valley, on Saturday.

Mr. and Mrs. Roy Cody of Pleasantville were Sunday guests of Mr. and Mrs. Allan Cody. We were pleased to welcome

Rev. R. R. McMath as guest pastor at Union church on Sunday, Aug. 24. Rev. McMath's splendid message was based on the text, "The earth is the Lord's and its fullness thereof." On Sunday, Aug. 31, our pastor, Rev. A. S. Doggett, will be with us. Come and invite your friends.

Church service at 11 a.m. and Sunday school at 10 a.m.

Willing Workers will be the guests of the W.A. of Wesley church at the home of Mrs. Harry West on Thursday, Sept. 4, at 2:30 o'clock. Willing Workers will provide the program.

Mr. Sam Gibney left for Drake, Sask., on Tuesday to visit his brothers, Frank and James, and other relatives. He will be away for a month.

ZEPHYR

Mr. and Mrs. Jas. Galbraith returned home after spending a two weeks' vacation with their son at Dundalk.

Mrs. Smith and Mrs. Pearce of Guelph are visiting Mrs. W. J. Bynard and family.

Mr. and Mrs. Canning and son of Stamford, Conn., are visiting Mrs. Canning's mother, Mrs. Julius Rynard.

Mrs. Emm attended the funeral of her uncle in Toronto on Wednesday. Our sympathy is extended to the family in their bereavement. We are sorry also to learn that Mrs. Ballard's brother has been wounded in Korea. We do hope better news will follow.

Mrs. E. Harman of Mount Albert visited Mrs. Profit last week.

A closely contested ball game was played on Monday evening at Pine Orchard between Zephyr and Pine Orchard. The score was 4 to 4.

Mrs. Wheatley of Greenbank is visiting Mr. and Mrs. A. Smith.

Friends and neighbors met at the Community Hall on Monday evening and gave Miss Marion Lockie, D.C., a lovely shower of gifts prior to her marriage to Dr. Edwin Hunt of Port Hope.

Mrs. Clarkson Arnold read a farewell address and after the opening of the gifts a lovely lunch was served. The recipient is very grateful for the kind gesture and the good wishes accompanying the many lovely and useful gifts.

Mrs. A. B. Lockie spent the weekend with friends at St. Marys and London.

Mr. Keith Profit had his hands badly bruised while working on the farm of Mr. Allan Armstrong. We are glad to know that Keith was not more seriously hurt, and hope his hands may soon be healed.

The vacation Bible School held in the United church Sunday-school room, is well attended and the children enjoy it very much. Much credit is due Rev. Thornloe and his helpers who are making possible this wonderful spiritual and social education for the children.

Mrs. Austin Cain and Mrs. Bruce Lockie spent a couple of days with friends in Toronto this week.

SLURRY SEED
TREATMENT
SERVICE

This new, highly efficient seed-treating method uses a solution or slurry which assures excellent, uniform coverage of seed with disinfectant... yet adds less than half of 1% moisture to the seed.

Seed Treatment is low-cost crop insurance

Seed Treatment protects grain against smuts, seedling blight, root rot. It kills smut on seeds and protects against soil-borne diseases—but does not weaken germination.

See the Gustafson Slurry Treater at work

Next time you're in town, drop in and see our new Slurry Seed Treater at work. It's a smart piece of machinery. We'll be glad to answer any questions... show you how Slurry Seed Treatment Service can save you money and time.

We use CERESAN M — the most widely used seed disinfectant in Canada

Pages from the Editor's Notebook

A good many in this part of the country are subscribers to various forms of hospital insurance including a plan which allows for the accumulation of so many days of sickness a year. Recently the rates for this plan were increased. There were various reasons given, all of them sound, but not included was the action of a certain Disreputable Character who occasionally comes into the office.

"Yup," said the Disreputable Character the other day. "Just got out of the hospital."

"Didn't know you were ill," we replied. "You certainly look sound enough."

"Oh, I am," said our friend. "But I needed the rest."

We wondered about this. We had never known the Disreputable Character to do a day's work in his life.

"Yes sir," our friend continued, "there's nothing like a lay-over in the hospital with all costs found." How did he do it? We wondered.

"Had one of those hospital insurance plans. Figured I might as well get the benefit of it," explained our friend.

"But you weren't sick," we said. "Needed the rest," he told us. "Paid my dues didn't I? Entitled to it, wasn't I?"

We've been wondering about our friend ever since. Sure, he had paid his dues but their yearly total wouldn't have begun to pay for his stay at the hospital. Come to think about it, the Disreputable Character was staying at the expense of all the other dues payers.

Guess that didn't occur to him. As a matter of fact, it doesn't occur to a lot of people that insurance, no matter what form it takes, whether for hospitalization or for automobiles, is based on certain averages.

When the number of hospital days begins to climb, premiums also begin to climb. Anyone taking out automobile insurance is acutely aware of the effect of the rising traffic toll upon their premiums.

The free-loader in any insurance scheme is only defeating his own purpose; if he main-

tains his policy, it is at a rising cost to which he has himself contributed.

We've had a note from J. C. Boylen of the York Pioneers and Historical Society about the John Scadding cabin on the Exhibition grounds. The cabin is the oldest habitation in Toronto and the Pioneers have converted it into a museum. Throughout the Exhibition time, the cabin is open and visitors welcomed.

The cabin was erected in 1794 by John Scadding on his crown grant of land on the east side of the Don river. He had come to Upper Canada in 1792 with John Graves Simcoe, the first lieutenant-governor of the newly created province. The log cabin was moved to the Exhibition grounds in 1879 by the York Pioneers.

We've had another letter from Stuart Starr who is in England where he has been attending conferences of Young Friends societies. In his current letter he writes: "We finally had some typical English weather which means you never leave the house without a raincoat, even if the sun is shining. This is a bit of discomfort for the tourist but is really quite trivial. The British envy our plastic raincoats which fold up and go into your pocket. They just aren't obtainable here."

"The past week has been spent soaking up London history and writing reports. This is an interesting old town with lots to see. I've managed to tour St. Paul's, the Tower, Greenwich Observatory, and the Waxworks. I've gazed at Buckingham Palace, and walked down the Mall. Last night, I paid a visit to Hyde Park and listened to the soap box orators but I fear they have degenerated into small, private arguments which are carried on in a tight little huddle so that the bystanders have difficulty in hearing what is said. There were a few groups singing their national songs which was very enjoyable."

As a matter of fact, it doesn't occur to a lot of people that insurance, no matter what form it takes, whether for hospitalization or for automobiles, is based on certain averages.

When the number of hospital days begins to climb, premiums also begin to climb. Anyone taking out automobile insurance is acutely aware of the effect of the rising traffic toll upon their premiums.

The free-loader in any insurance scheme is only defeating his own purpose; if he main-

From the Files of 25 and 50 Years Ago

AUGUST 26, 1927

Sergt. of Police Kirk and Mrs. Kirk received a telegram from their son Ernest who is now in Regina and is on his way home for a vacation. Ernest is with the C.M.P. and has been stationed in the Arctic Circle for the past three years. Ernest has had many experiences in the far north that his Newmarket chums will want to hear about.

The incessant blowing of the fire whistle aroused Newmarket folks last Friday morning about 2.30. This fire was in Whittechurch township near Pearson's Crossing. It was a house owned by Mrs. Jack Wesley, Toronto, but occupied by Mrs. Fockler and sons. Newmarket fire brigade answered the call quickly but were too far out from town for the hose to reach. Neighbors attempted to save a few belongings but were able to rescue nothing but a couch, a rocking chair and phonograph. Only the stone foundation and chimney remain of the old frame house. Origin of the blaze is unknown.

Rumor has it that an American syndicate is negotiating with the Dominion government for the purchase of Snake Island. The island, which contains 327 acres, is an Indian reserve. Three years ago when a prominent hotelman enquired its price the amount was set at \$250,000.

Mr. George Fairbairn of East Gwillimbury was leading a span of horses to the stable when one kicked him in the face and as he fell to the ground he broke his collar bone. He is getting along nicely but it will be several weeks before he is able to work again.

AUGUST 29, 1902

As it is now an assured fact that the electric railway will be a permanent fixture on Main St., the council should make arrangements at once to lay a sewer down the business section of the street and also pave the entire block from one side to the other. The cost could be raised by debentures and paying one third on the frontage tax system, the balance by general taxation.

Mr. David Lepard was driving the dray down Timothy St. last Tuesday when a trace became unhooked and at the same time the horse shied and turned, breaking a shaft. The wagon ran against an electric light pole and Mr. Lepard was thrown on the bridge. The horse got loose but was captured at the top of the hill.

Mr. Ed. Williams of lot 10, con. 3, East Gwillimbury, reports that he has oats growing on his farm, which measures 5' 11" from root to head. The Metropolitan Railway Co. now has about 20 men and four teams tearing up Main St., prior to extending the tracks to the north end. They had the rails laid as far as Botsford St. Friday and hope to reach the Royal hotel by Saturday night.

Mr. John Savage is tearing down the buildings at the rear of his residence and will erect a more commodious summer kitchen and woodshed.

The Earl of Dundonald, commander of the forces in Canada, will open the Exhibition this year on September 1. It is expected that all former records will be beaten in the number of exhibits entered and also the attractions offered. The fireworks will be exceptionally brilliant.

THURSDAY, THE TWENTY-EIGHTH DAY OF AUGUST, NINETEEN HUNDRED AND FIFTY-TWO

MAIN ST. MUST BE REBUILT

There are sound reasons why the ratepayers of Newmarket should vote to proceed with the rebuilding of Main St. In this and future editorials we propose to discuss some of those reasons. But first, let us consider the one objection to the undertaking, its cost.

It is estimated that the total cost of rebuilding Main St. is \$235,000 of which Newmarket will pay \$105,000, the Toronto and York Roads Commission \$82,000, and the province, \$48,000. Newmarket's share will be raised by debenture; if a ten-year debenture, at an annual cost of between \$10,000 and \$11,000, and if a 20-year debenture, at an annual cost of between \$5,000 and \$6,000.

The Toronto and York Roads Commission has already approved of paying its share of the cost. The province's share is paid when Newmarket's share is paid. When the road is rebuilt, the commission will hand over its full maintenance to Newmarket. A large consideration, however, is the fact that the commission is under fire of Toronto politicians who object to spending Toronto money for the maintenance of the roads of Newmarket and other York County municipalities. If Newmarket refuses to undertake the work, there is every possibility that the commission will not repeat its offer and only Newmarket and the province will pay for the work when it is eventually done, and at a much higher cost.

There is no question that the road must be rebuilt. Its foundation is uncertain. No amount of surface patching will make the road sound. Indeed, the more surface patching, the worse its surface condition. Every year, Newmarket bears a share of the cost of that surface patching. The cost is increasing as the amount of patching increases. When the road is rebuilt, this annual maintenance cost will be greatly reduced, to the subsequent benefit of all the town.

And finally, it must be remembered with each passing year, the cost of road maintenance is increasing. Cost of material is increasing, cost of labor and the amount of work which must be done. A road is no different than a car; it has a definite age limit. Each passing year takes a toll that no surface patching can restore. Main St. is an old road. Sooner or later it must be rebuilt and the sooner, the cheaper.

To sum up, the rebuilding of Main St. is an expensive proposition but it must be done. If it is undertaken now, there is the certainty of the Toronto and York Roads Commission share, there is a reduction of the annual maintenance charges, and it will be cheaper than, say, five years hence.

\$500 OFFER

Efforts to restore Fairy Lake to the beauty and utility it once possessed were given a substantial encouragement this week by the offer of Mr. Frank Dennison to subscribe \$500 to a fund raising campaign if one were started for this purpose. It is a large sum; it reflects the strong feeling of Mr. Dennison and others about the possibilities of Fairy Lake.

The restoration of Fairy Lake is not a new proposal but in the past, such an attempt was discouraged by the lack of control over the river above Newmarket. Such control now exists. The Upper Holland River Conservation Authority includes the three municipalities through which the river passes before it reaches Newmarket. The Authority too is an agency which will, in time, increase the flow of water with its conservation practices. So a purer and steadier flow is reasonably well assured.

It remains now only for Newmarket to clean up the banks of the lake, impose measures for silt control, and ascertain what other steps are required to make Fairy Lake the beauty spot and recreation area it used to be. To be sure, it is a long-term project but once it is taken hold of by an energetic group, public support should rally and the work proceed swiftly.

All that is required is leadership.

LET'S TRY A NEW APPROACH

There may be as many as 2,500,000 species of insects infesting the world and in the United States, as many as 10,000 are considered enemies of man and beast. But for all man's efforts at ridding himself of these enemies, he has fought a losing battle. Says the U.S. Department of Agriculture:

"Although the science of entomology has made great progress in the last two decades, the problems caused by insects seem to be bigger than ever. We have more insect pests, although we have better insecticides to use against them and better ways to fight them. . . . But for all of man's science and ingenuity, 'no species of insect has disappeared from the earth because of man's activities.'"

All of which seems to suggest that man is pursuing the wrong approach to the problem. There's no surer cure for a mosquito at midnight than a spray-gun, we grant, but many of the insects which rob the farmer of crops and sicken his beasts would be better controlled by building up immunity to the harm of those insects instead of wasting millions of dollars in the destruction of the insects. Insects attacked with the most modern of insecticides show a distressing tendency towards immunity after a couple of years. A new insecticide is applied which checks the insects for a time, and then the new insecticide loses its potency. The cycle can continue indefinitely for all we know.

Insect-resisting crops, and animals capable of resisting the diseases borne by insects have been shown to be practical. Wouldn't it be more sensible to concentrate on this development than to continue the present losing battle with insecticides alone?

NEEDS FOR INDUSTRY

Newmarket is not interesting new industries in locating here because it has not enough to offer them. That is the only conclusion to be reached from the failure of recent efforts by municipal representatives to attract prospects in this direction. In some instances, the industries were looking for a combination of special requirements which other municipalities were able to provide. But this does not change the over-all fact that many industries which might have found a new home here have gone elsewhere.

What is the reason? Newmarket is close enough to the Toronto market. It has good rail and road communications. The municipality, physically, is in good shape. It has a co-operative council, a labor supply, a reputation for stability. What then, is lacking? We think the answer is readily available sites and accommodation.

We draw this conclusion from the number of industries which have arranged to locate in the two new developments, at Richmond Hill and on the former Don Alda Farm property. The purchase of the latter, plus additional acreage for a total exceeding 2,000 acres, was announced last week. The Richmond Hill development is considerably smaller. In both instances, however, it is planned to create a model townsite in which industrial, residential and commercial properties will be let or sold in a combination calculated to give the maximum return with the maximum of services to those locating there.

These model developments are new in this area although they have been successful in the United States. Indeed, the Richmond Hill development is partly financed by American money. Little actual work has been done in developing either of these two properties but their backers maintain they have had already an encouraging response from industries seeking new locations, retailers and home builders. Quite apart from this evidence of a "good thing" is the fact that no hard-headed investor would sink his money in such projects unless reasonably sure of a return.

The point to be observed in both instances is that private capital is making available something for which there is a demand, sites and accommodation. Is there any reason why a public administration could not do the same. The method would be different, but the principle of a model development could well be applied in Newmarket if the council were to set about planning for it now.

The attitude so frequently taken here is that "this will be done" or "that could be done" if an industry were to locate here. How far more attractive would be the prospect of industrial location here if Newmarket could say instead: "This has been done. It's all ready for you." No businessman looks kindly upon promises; he wants accomplishment.

If Newmarket is to encourage more industry to locate here we believe council has to have something more to offer than it presently has. Newmarket administrations have shown in the past how quickly they can work when they have something to go on. But not everyone is familiar with this reputation. Something more concrete is required, like land which is set aside for industrial location, which is or can quickly be serviced; land which has been surveyed and levelled, adjacent to the railroad and highways; protected against future developments which might be detrimental to the buyers. In short, before Newmarket can have much hope of interesting new industries, it must first prepare the goods for delivery.

Office Cat Reports Catnips By Ginger

I was holidaying in the Igwampa Lakes district last week. Well folded on the resort lodges, we chose Welltaken Inn, advertised as a beautiful retreat with hot and cold running water.

The reason Slim and I chose Welltaken Inn was that it offered plenty of recreational facilities but no planning or regimentation. We hate those camp recreational directors with the high octane personalities forcing their organizational talents on the innocent holidayer who seeks merely rest and quiet.

We arrived at Welltaken Inn where the manager and hostess gushed corn syrup and welcomed us. From their outpoured welcome, we gathered that if we hadn't arrived, their day would have been a disappointing failure.

Of the 120 guests, there were six Canadians. The remainder consisted of Americans, each one of them unwinding like a taut spring after 50 weeks of high fevered life in the U.S. and A.

During our stay at Welltaken Inn, we concluded that Americans should have their holidays doubled. They come to Canada to relax and enjoy but it takes them a week to run down their mainsprings. The second week they begin to work hard at relaxing but before the process is completed, they are wound up again and on their way back to the States.

It's too bad because we feel they could almost slow down enough to study us like we study them.

Slim and I liked the Americans even though one of them insisted that the Yanks did not attempt to conquer Canada in the War of 1812-14. I interpreted that to mean if such a thing had been attempted, it

would have been done. "But we learned otherwise in our history books and even erected monuments right on those historic battlegrounds," we pleaded. But our friend wouldn't trust Canadian history books. They weren't all-American I guess. In fact, he didn't seem to believe in history.

But we liked them, those Americans. Laughingly, we referred to the U.S. senator who recently proposed that England give Canada to the States in payment for British war debts. England owns Canada, a mere bunch of fishing villages, the senator had said.

Wasn't that funny of that senator to say such a thing, we laughed.

"Well Canada is not really much more than a few fishing villages," said our friend. "I would say that its tourist business keeps it going," replied one.

"England hasn't even paid its debt from the first World War," said another.

We laughed politely and wondered if they were serious or not. We just wouldn't be sure. We suggested that a swim would be lovely at this time and slipped to our room to sit and stare in awe.

But we love our American cousins. They are so human-like.

Of course it appears that we are generalizing on the basis of a few individuals. We don't mean to generalize at all. Most Americans are just like us. They have eyes, ears, noses and walk upright.

It is a good thing to look at another's point of view. After all, Canada's populated area is a thin east-west ribbon along the U.S. border. I guess I don't look much to an American.

by "Dairy Farmer" The Top Six Inches

Here is some information we have picked up while travelling the country with cattle. We believe it to be right, because it is the result of facts and figures compiled by official sources, and because the man who drew the conclusions has our respect both as a man and a scientist.

So, here it goes. Contrary to all expectations, hog breeding and raising has not been discouraged by the present floor price. While at the time of its establishment it seemed low, feed prices kept coming down to meet it. The crop prospects out west are the best in years and there will be plenty of feed. As a matter of fact, present floor price on hogs is encouraging the breeding of hogs and our informant is looking towards a lower floor price. He thinks 24 cents would discourage additional breeding but is not sure.

The recent marketing of canned pork by the government, in his opinion, is a preparation for the lower floor price. The federation is urging the government to maintain the floor price as long as the embargo is on.

As to the embargo, the U.S. attitude is that they haven't even gotten around thinking about it. They point to the fact that the germ is liable to be alive for a year. A good conservative guess seems to be the first of May next year. The lifting of the embargo today, when the Canadian dollar is almost 5% over the U.S. currency, would reduce the differences in beef prices.

Breeding of beef cattle has increased in the States tremendously and this man really thinks that the golden days of the beef industry are over for a while. However, the opening of the border would remove some surplus even if it was at present prices and thus would make more room for hogs on the domestic market.

The man we talked to has a farm of his own. He raises a couple of hundred hogs a year. He thinks he makes them pay by mixing his own feed and thus getting the large mark-up. In his district feed portion of the feed mills

is delivered without exchange. He also thinks that he might be able to make a little profit of 25 cents a hog. "Any way, we will stick with it and ride out the storm," is the way he puts it.

And finally, we are advised not to expect any improvement in hog prices due to the new marketing agency.

So there it is for what it worth—not sounding an alarm but reminding us that we had to do some hard thinking. Nobody really knows what the solution is, but there are the who think that increased efficiency of production, of marketing, and this includes increasing sales by publicity advertising, will give some relief.

Efficient production to the cost per unit produce good organization to see distribution is efficient, cheap, and advertising to increase the sales could be salvation of those industries where the product didn't reach the saturation point. If we take, for example, very little more cheese consumed on home market per head per year to put the industry in black again.

We have to change and look to export markets gift to overseas and government assistance for the situation. The government's job to avoid violent fluctuation to tide over the industry, there is an emergency.

These aren't too pleasant thoughts to start the year with. But they are better than panic, despondency or other solutions based on sentiment and not reason.

What else did we do at fair? Well, we had some led arguments concerning one-can shipper, who, in words of a small distrib is "no good to anybody, in ing himself." We answered just as heatedly that as for the distributor can make man a two-can shipper, have no choice but defend. We saw an increasingly number of cattle at the fair and we understand that c to all fairs are at a record which, of course, is a deviation of faith in our future.

THE OLD HOME TOWN By STANLEY

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

Our readers write

Letters to the editor are always welcome but the names of the writers must be known to the editor.

The Editor: It was with a great deal of interest I read your editorial page this past week. You are to be commended for the two editorials you had on the stand council took over the question of paving the main street. Whether one agreed or disagreed with your stand on this question they could not help but admire the intelligent way you presented the facts of the case.

I read your editorial page each week and after reading it for a time one can easily understand why you have consistently won the prize for the best editorial page in the weekly newspaper class.

I heartily agree with your views in both the election for deputy reeve and the paving of the main street. The two are definitely tied in together and the election has been caused by one councilman who wanted the deputy reeveship and knew he had no chance of being appointed if it went to the first of October and the mayor made an appointment at that time. This councilman voted against proceeding with the paving of the main street. By forcing the election for deputy reeve he is putting

the town to a great deal of unnecessary expense. It would be interesting to know just what this would amount to.

It is beyond my comprehension as to how the council, other than Reeve Evans, Councillors Paynter and Charles VanZant, can justify their stand in regards to the main street. There is no question in anyone's mind that the job must be done eventually and here they are, having over one third of the cost paid by the Toronto and York Roads Commission and \$48,000 of the balance paid by the provincial government, and yet they voted "No".

With all of the agitation in Toronto and the southern townships to have the Toronto and York Roads Commission abolished, there is a very good possibility that this will be the last chance Newmarket will have to get the grant of \$80,000, at least from the Toronto and York Roads Commission.

It is only due to the untiring efforts of Reeve Evans and the late Deputy Reeve J. Spillette that the grant was included in this year's budget. This has been given to me on very good authority from members of the Toronto and York Roads Commission.

I think it is a recognized fact that it is considered the duty of a newspaper to give leadership to the people in their own community and this is a splendid chance for the Era and Express to make a crusade out of this question and to come out flat-footed and support Lorne Paynter for Deputy Reeve, so that he can carry on the good work of the late J. Spillette, and at the same time, throw the weight of the press behind the move to pave the main street so that Newmarket and the taxpayers can take advantage of the grants that are forthcoming at this time, but which may never again be offered to the municipality.

An Interested Taxpayer, Newmarket.

MOUNT ZION

There was a good attendance at the service on Sunday evening. Miss Wilson spoke of her work in Africa telling of the great need for more missionaries.

Miss Patsy Morris spent a few days with Miss Marilyn Seager, Lansing, last week.

Mr. and Mrs. H. Cole and Mr. and Mrs. Vern Kellington motored to Peterborough on Saturday.

Mr. and Mrs. Clifford Cox went to Wilcox Lake on Sunday. Mrs. Elgin Cole attended the Free Methodist Sunday school picnic at Port Bolster on Saturday.

Mr. and Mrs. Martin Woodward were in Toronto Sunday celebrating their grandson's birthday.

Jean and Pete Joritsma spent Sunday evening at Mr. and Mrs. Martin Woodward's home.

Mr. Jack Topp, Richmond Hill visited Mr. and Mrs. Tom Swanson a week ago last Sunday.

There will be a combined prayer and business meeting at Mount Pleasant on Friday evening.

Sunday services are Sunday school at 10 a.m., worship at 11 a.m. Communion service at Mount Pleasant 7:30 p.m.

Mr. and Mrs. Clifford Sweet and family had Sunday dinner with Mr. and Mrs. H. Cole.

Mr. and Mrs. J. W. Morris visited relatives in Belhaven on Sunday.

Mrs. Ern Archibald and children are spending a few days at the home of Mr. and Mrs. J. Morris.

MOUNT PLEASANT

Mrs. Alex Hopkins has had her parents, Mr. and Mrs. Oliver of Jacksons Pt., with her the last week.

Mr. and Mrs. Bernard Davidson and Miss Iva Stiles visited friends at Bracebridge and Bayview last week.

Mr. and Mrs. Jack Bosworth spent last week at Utterson. Miss Isabelle Moulds and friend, Miss Black, are away on a motor trip.

Mr. Geo. Davidson and Mr. Jim Stiles, Mr. Myrtle Winch and Mr. Fred Thompson are holidaying at Niagara Falls.

The Women's Guild met at Mrs. Ross Stiles' home last Tuesday with quite a number present.

Bible study will be held at the home of Mr. and Mrs. Claude York on Tuesday evening, Sept. 2, at 8 p.m.

Many are being troubled by racoons destroying their garden corn.

Mr. and Mrs. Norman Brooks, Mrs. Amy Rogers and Miss Lola Campbell spent the weekend in Kingston.

Dr. Lorne Stokes, Mrs. Stokes and John D. of Hanover spent several days this week at the homes of the former's brother, Murray, and his uncle, John Arnold.

Mrs. Boe of Toronto, Mr. and Mrs. Bill Tiffin, Paul and Marilyn of Wingham were visitors on Saturday at the home of Mr. and Mrs. B. Sinclair.

Mildred Dike has returned to her position in Toronto after a few weeks' holidays.

Mrs. Gordon Young has been holidaying at Napanee with relatives.

Mr. and Mrs. Beverley Sinclair, Mr. and Mrs. Archer and Bennie of Elmville left on Sunday for a motor trip to Montreal where they will meet Miss Belle Cook on her arrival back from a trip to England and the continent.

Mrs. Ed. Watts spent most of

the week with relatives at their cottage, Lake Simcoe.

Mr. and Mrs. G. S. Harper are on a motor trip to St. Joseph's Island in Northern Ontario.

Two bus loads from the village are attending the Ex. today (Thursday).

Mr. and Mrs. Bruce Ross of Lansing were guests at the home of Mr. and Mrs. J. F. Burr this week.

Mr. and Mrs. Don Degeer have returned to their house in Toronto after a few weeks holiday at the home of Mr. and Mrs. E. Davis.

Mr. and Mrs. Alvey Lunau spent the weekend at the home of his nephew, Mr. Roy Lunau, at Owen Sound.

Mr. and Mrs. Smith and son of Toronto, were weekend visitors at the home of their aunt, Mrs. Cunningham, and Mr. Cunningham.

The firemen were called to the gravel pit at Holt on Monday morning when one of the trucks caught fire. The driver jumped out. The truck was a complete wreck.

Mrs. Will Rolling had a lovely white gladioli in her garden 55 inches tall.

If you want to go on a tour of beautiful gardens just go around our own village as there are many beauty spots to look at but we think the best display of bloom is in Mr. Nick Simpson's garden on the hill on the side of the road. It is just where all passing can get a good look at it and it is worth your while to stop and see the many different varieties at their best.

Mrs. Tressa Copeland of Toronto, Mrs. M. Connell of Keswick, Mrs. T. Nesbitt and Eugene of Scarborough, were guests at the home of Mr. and Mrs. R. Carr last week. Eugene Nesbitt, niece of Mrs. Carr, is staying for a few days visit.

A very good display of flowers and vegetables were brought in Monday evening for the flower show on Tuesday.

Rev. C. P. Shapter returns from holidays this week and will be in his own pulpit next Sunday.

QUEENSVILLE

Mrs. Max Batt is convalescing at the home of her sister, Mrs. Mary McEathron, of Toronto.

Rev. and Mrs. Garth Legge and Murray of Swastika and Mr. and Mrs. Roy Legge of Toronto were Thursday guests of Mr. and Mrs. Geo. Pearson.

Mr. and Mrs. N. Dyer of Toronto spent this week with their son-in-law and daughter, Mr. and Mrs. Len Salmon.

Miss Vera Arnold had a successful auction sale on Saturday afternoon.

Mr. and Mrs. Rex Smith and boys are holidaying at Royal Beach, Lake Simcoe.

Mr. and Mrs. Chas. Milsted, accompanied by Mr. and Mrs. Allan Doner of Gormley and Miss Carol Gooding of Utterson, left on Sunday to spend this week with Mr. and Mrs. Tom Christlaw and Heather of Blind River.

The Arkinstall family have been holidaying at Forest Rock camp near Utterson.

Miss Rosa Epworth of England has been visiting her cousin, Dr. M. Arkinstall.

School bells will again be ringing on Tuesday morning, Sept. 2.

Rev. and Mrs. H. Shannon of Hawkestone spent the weekend with Mr. and Mrs. Geo. Pearson and renewed acquaintances in this district.

Mrs. Wm. Bain of Toronto spent several days at the Hulse home.

Rev. and Mrs. Stebbner and son of Warton are visiting their son-in-law and daughter, Rev. and Mrs. Erickson.

Mr. and Mrs. T. Peregrine and Miss Elsie Huntley motored to Niagara on Monday.

Mr. and Mrs. McDonald of Orillia spent last week with her brother-in-law and sister, Mr. and Mrs. Sydney Milne.

Miss Gwladys Wilnot is holidaying at Elmhurst Beach, the guests of Mrs. Burkholder.

SHARON

Master David Selby is holidaying at Miami Beach with his uncle and aunt, Mr. and Mrs. Albert Selby, and family.

Mrs. W. B. Selby visited her son and daughter-in-law, Mr. and Mrs. Albert Selby, Toronto, and son-in-law and daughter, Mr. and Mrs. Phillip Sawford, Port Credit, recently.

Mr. and Mrs. Leonard Selby and Mr. and Mrs. Harcourt Smith, Toronto, visited relatives in Niagara Falls last week.

There will be service at the United church next Sunday at the usual time, 9 a.m. Sunday school will start again on Sunday, Sept. 7, following church.

Mrs. Roy Deavitt, Ruth, Joan and Patsy of Pembroke, Mr. Wilfred McHale and Paul of Toronto were Sunday guests of Mr. and Mrs. Lindsay Farr.

Mr. and Mrs. Leslie Shrubright, Gaynette and Thomas of Flint, Mich., were recent guests of Mr. and Mrs. M. L. Newroth.

Miss Elizabeth returned home with them after holidaying at Detroit, Mich.

Rev. and Mrs. Rhodes of Newmarket, Mr. and Mrs. Donald Johnson and boys of Bogartown were Sunday guests of Mr. and Mrs. Fred Hall.

Mrs. Merton Shaw of Hamilton spent a few days with Miss Nora Shaw.

Rev. and Mrs. H. Shannon of Hawkestone were calling on friends in the village on Monday.

Mr. and Mrs. Howard Fry and Douglas of Newmarket spent a few days with Mr. and Mrs. E. Fry.

Mr. and Mrs. Arthur Wilkins of Toronto, Mr. and Mrs. Frank Caruso and baby, Mr. and Mrs. Donald Kiteley of Aurora and Mrs. M. E. Kiteley, Mrs. Caruso and baby are spending the week with Mrs. Kiteley.

Mr. and Mrs. F. Green and Arlene of Toronto were Sunday guests of Mr. and Mrs. M. L. Newroth.

HOPE

Hope W. A. will be held at the home of Mrs. Eva Tansley, Sutton West, on Sept. 3. Program committee: Mrs. Leslie Mount, Mrs. Lulu Edwards; hostesses: Mrs. Vern Smith, Mrs. Dean Pegg, Mrs. Hall.

Litch nuts are grown in China. A gill is one-eighth of a quart. The rutabaga is a Swedish turnip.

NOTICE

SAM Gilman's Barber Shop will be closed from Saturday, Aug. 30, until after Labor Day, Sept. 1. c2w31

NOTICE

A number of rumors have been started about my affairs. I Margaret Alma Grant, Queensville, defy the source of these rumors to prove that any army gratuity money bought, or paid mortgage payments on the property on which I live.

That the Children's Aid refused me help because of fraud.

That the banks in Newmarket gave me anything but a statement of my payments to them on the large amount of money owing by us.

That Mr. Bruce McMillan, about whom there have also been vicious rumors, has been in this house more than twice in the seven years that he has held the mortgage which he bought legally through Osgoode Hall.

That I have not been paying \$50 monthly since Jan. 1 to provide a home for my four children for whom only I am responsible.

Mrs. M. A. Grant, Queensville, c1w35

NOTICE

STATEMENT OF QUESTION SUBMITTED TO THE RATEPAYERS PURSUANT TO BY-LAW NUMBER 1261 OF THE CORPORATION OF THE TOWN OF NEWMARKET

"PROVIDED the Toronto and York Roads Commission (York County) pays the centre twenty-two feet (22'), are you in favour of the Council undertaking the rebuilding of the balance of Main Street, at an estimated cost to the Town of Newmarket of One Hundred and Five Thousand Dollars (\$105,000.00), and the issuing of debentures therefor?"

TAKE notice that the above is a correct statement of the question submitted to the ratepayers pursuant to Bylaw Number 1261 of the Corporation of the Town of Newmarket.

AND take further notice that a tenant who desires to vote must deliver to the Clerk of the said Corporation of the Town of Newmarket, not later than the tenth day before the day appointed for taking the vote, the declaration provided for by subsection three in Section 283 of the Municipal Act.

AND take further notice that the vote will be taken on the above question, the 22nd day of September A.D. 1952, at the following Sub-Divisions:

St. George's Ward—79 Prospect Street

St. Andrew's Ward—Town Hall St. Patrick's Ward—Fire Hall between the hours of 9 a.m. and 7 p.m.

AND take further notice that on the 19th day of September A.D. 1952, at the hour of 11 o'clock in the forenoon, the Mayor will attend at the Town Clerk's Office on Boltsford Street, in the Town of Newmarket, and if requested so to do shall appoint in writing signed by him, two persons to attend at the final summing up of votes by the Clerk, and one person to attend at each polling place on behalf of the persons voting in the affirmative on the said question, and a like number on behalf of the persons voting in the negative on the said question.

DATED at Newmarket this 21st day of August, A.D. 1952.

Wesley Brooks, Clerk of the Corporation of the Town of Newmarket. c2w34

Service was held on August 25 in Keswick United church. Interment York cemetery, Willowdale.

MONNEY—Drowned, on Sunday, Aug. 10, 1952, at Geraldton, Ontario, Joseph Monney. Funeral services were held at Geraldton on Wednesday, Aug. 20.

PEAT—At Newmarket, on Saturday, Aug. 23, 1952, Eliza Halliday, wife of the late Edward Peat, mother of Joseph E. Peat and Mary Gilroy, Newmarket, Audrey Zimmerman, Toronto. Funeral service was held in Newmarket on August 25. Interment was in Newmarket cemetery.

Harvard University celebrated its tercentenary in 1936. The eye responds more quickly to stimuli than the ear.

ENGAGEMENTS

Mr. and Mrs. William Henry Curtis, Newmarket, announce the engagement of their eldest daughter, Violet Doreen, to Kenneth Roy Langford, Midland, eldest son of Mr. and Mrs. Roy L. Langford, Newmarket. The marriage will take place on Saturday, Sept. 27, at 4:00 o'clock in the Christian Baptist church, Newmarket.

Mr. and Mrs. Robert Llewellyn Pritchard, Newmarket, announce the engagement of their daughter, Barbara Jean, to Mr. Stanley Dalzell Fear, son of Mrs. Mary Carr Fear, Toronto. The marriage will take place on Saturday, Sept. 20, at 3 o'clock in the Trinity United Church, Newmarket.

Mr. and Mrs. Gordon Burch, Newmarket, announce the engagement of their daughter, Evelyn Isabel, to Mr. Ivan Howard Bray, son of Mrs. Ethel Bray, Newmarket. The marriage will take place on Friday, September 26, at 7 o'clock in St. Paul's Anglican church, Newmarket.

Mr. and Mrs. Lancelot E. Case, Aurora, announce the engagement of their daughter, Joan Elizabeth, to Paul Joseph McGuire, son of Mr. and Mrs. John Anthony McGuire, Lindsay. The marriage will take place on Saturday, Sept. 20, in Our Lady of Grace church, Aurora.

IN MEMORIAM

SEDORE—In loving memory of my dear mother, Florence May Sedore, who passed away September 1, 1947. Peacefully sleeping, resting at last.

The world's weary troubles and trials are past;
In silence she suffered, in patience she bore,
Till God called her home to suffer no more.
Ever remembered by her son Gerald, Doris and granddaughter Brenda.

W.I. NEWS

Bogartown branch held their grandmothers' meeting at the home of Mrs. L. G. Harper on Tuesday afternoon, Aug. 19. Mrs. Roy Harper, president, conducted the meeting and several items of business were discussed including the short course to be held at Mrs. Don McCullough's home in October. Delegates were chosen to attend the convention in November. Final preparations were made for the bus trip to Peterboro in September. Mrs. E. Campbell, president of Newmarket branch, was a guest and knowing Peterboro very well, outlined some places of interest and beauty to visit. We are pleased to have Mrs. Campbell accompany us on this trip and tour. Mrs. A. Ridley also gave information regarding bus fares and time but watch your local paper for further particulars.

A letter was received from Miss Violet Micks of Union St. branch, inviting us to be their guests at the October meeting. Bogartown to provide the program to be held at the home of Mrs. Archie Sedore. This invitation was accepted, and it was moved that the conveners of the different programs be in charge. The meeting was then turned over to the grandmothers who were in charge of the program. The opening number was a song by six grandmothers. Then all joined in singing two old favorite numbers. There were humorous readings by Mrs. E. McCullough and Mrs. W. Williams; song by the six grandmothers; contest by Mrs. McNicol. The last number by the sextette dressed in suitable attire and one lovely bride with daisies and hollyhocks in her hair, sang "Wait for the Wagon."

The program closed with roll call, your recollection of the oldest person you know or have known, and it was well answered by 30 members, 13 of these being grandmothers, 10 visitors and 19 children.

The meeting closed with the national anthem, after which a lovely lunch was served by the young women. A vote of thanks was expressed to the young women for such a lovely lunch and to Mrs. Harper, our hostess for a very enjoyable afternoon.

Pine Orchard branch held their annual grandmother's meeting at the home of Mrs. Ross Armitage on Wednesday afternoon, Aug. 20. It was decided to hold a Fashion Show under direction of the merchants of Newmarket in October. Resolutions for Area Convention were read by the secretary.

Mrs. George Mason had charge of the program. Roll call proved interesting with members giving home of minister performing their marriage ceremony. The trio of Lorraine Brummer, Janet Hendry and Sandra Davies, sang. Mrs. Ough thoughtfully presented each grandmother with a beautiful corsage, and a pin to the oldest grandmother was won by Mrs. Jesse Lundy and the grandmother with the most grandchildren was Mrs. Wilbur Shropshire.

We were pleased to have Mrs. B. Dike, Queensville, present. Lunch was served by the grandmothers and a social half hour enjoyed.

IT'S A

Woman's World

BY CAROLINE ION

Returning from holidays spent at our cottage "Benn Eion" in the highlands of Haliburton we were surprised at the number of changes in town during the past few weeks. Surely the town doesn't change at that rate throughout the year. Perhaps it is just that being away for awhile makes us more conscious of these alterations.

The fire department has moved into its new quarters as has the Marigold Shoppe. Both renovations are welcome additions to Main St., our town's show-window. Senecal's is sporting a modernized store front. Thompson's Beauty Salon has a small addition which provides a more convenient entrance to their shop.

The walk down-town on Monday morning took us much longer than usual for there were so many things to see. Birrell's garage on Davis Drive east seemed to have sprung mushroomlike during our absence. We admired the stone retaining wall one neighbor had completed and the addition of those aluminum awnings to another's house.

More Changes

In a new subdivision such as ours, we gradually become accustomed to construction being carried on without apparently any ending. Three, or was it four, new garages had appeared and two more were being started. We were admiring the addition to another home in the neighborhood when we noticed that more fill had been placed at the Hall's lot in preparation for their new home.

Commenting on the improvement a fresh coat of paint makes to a house, we noticed that its neighbor, the nurses' residence, has been spruced-up as well. The hospital and surroundings looked very attractive.

Junk Yard

There were many things which unfortunately had not changed. By the railway terminal (across the road) a truck was unloading junk in the very ugly dump. Why that should be allowed is beyond our understanding. It certainly cannot add to the favorable impressions of a visitor arriving in our town by train.

If such a junk yard must be located in that vicinity could it not be possible to compel the owners to build an attractive fence... sufficiently high so as to conceal the confusion and debris? None of our entrances to town boast scenic beauties, but this is perhaps the most offensive.

Eagle St. Entrance

The Eagle St. approach could be made very impressive by the converting of that field of clay lying between Armitage Heights and Eagle St. into a park area.

Lawns and a few well-tended flower borders, some shade trees and shrubbery would be an attractive addition. On the opposite side of the street, the old Anglican cemetery stands in a shameful state of disrepair.

Plans were discussed earlier this year to remove the existing monuments, level the ground with a bulldozer, plant lawn and make a cairn of the remaining stones. With the addition of a few benches and some flowers it could be easily maintained and would greatly increase the attractiveness of the Eagle St. entrance to Newmarket.

Operation—Main St.

Main Street showed many changes in the contents of its window displays. Exciting new merchandise, the aftermath of the annual trade fair, was on exhibit in the local stores. But Main St. itself had not noticeably altered. It remained in its desperate need of attention.

Why wasn't the work begun on this project early in the season? Main St., the primary artery of the town, should not be permitted to become pocked with holes and ruts as it was this spring. It seems as unreasonable to say that we as a town can't afford to repair our Main St. as for a householder to say he can't afford to repair a leak in his ceiling. Neither can afford not to mend such damage. If left unrepaired, the ultimate costs will be much greater.

Speedway

Main St. had not changed in its physical condition. Davis Drive had not altered in its seeking of the title of "Speedway" during our absence. Two cars raced past us as we proceeded down town. A huge truck loaded with gravel roared past and quickly we pulled the car-

W.I. News

The September meeting of the Sharon branch will be held at the home of Mrs. F. Glover at 2:30 p.m. on Sept. 3. Roll call will be "Name a pioneer settler." The program, "Honor your grandmother," will be in the charge of Mrs. K. Weddel. Mrs. C. Pinder and Mrs. C. Haines. The refreshment committee is Mrs. H. Fife, Mrs. F. Ramsay and Mrs. W. Selby.

Union Street branch will meet at the home of Mrs. Thomas Swanson on Thursday, Sept. 4, at 8 p.m. Motto: "Put your talent in the W.I. and watch the way it will multiply." Roll call: Uses of penicillin. Topic: Home Economics and Health. Program committee: Mrs. E. Whitfield, Mrs. L. Salmon, Mrs. D. Greenwood. Hostesses: Mrs. T. Peregrine, Mrs. D. English, Mrs. E. Callendar, Mrs. O. Diceman.

riage and youngsters over to the road's dusty shoulders as a series of these thundering monsters raced by. Most of these vehicles were travelling at 50 miles an hour or more... in a 30 miles an hour speed zone.

To our knowledge there have been three accidents this year on this road. All of them near the bridge by Goodman's Auto Parts. In each instance speeding was a contributing factor.

To date damage has only been done to the cars or trucks involved. Must there be a life lost before this speeding is halted?

The Dominion's largest lake is the North West Territories Great Bear.

AURORA NURSERY SCHOOL NOTICE

Mothers of pre-school age children, who are interested in having their children attend the nursery school and who are interested in helping in this worthy community effort, please attend the meeting to insure the success of the coming term.

Time: WED., SEPT. 3, 8 p.m.
Place: Home of Mrs. Rubin, 28 Maple St., Aurora.

MUNICIPAL ELECTIONS

for the

Town of Newmarket

E. R.

NOTICE IS HEREBY GIVEN

NOMINATIONS

for the office of deputy-reeve for the balance of the year 1952 for the municipality of the town of Newmarket will be held in the town hall on

FRIDAY, SEPTEMBER 12, 1952

at the hour of 8 p.m. by the returning officer

At the nomination meeting, the candidates for office shall be proposed, and seconded seriatim, and every nomination shall be in writing, shall state the name, residence and occupation of the candidate and shall be signed by his proposer and seconder. BOTH OF WHOM SHALL BE PRESENT AND SHALL BE ELECTORS ON THE VOTERS' LIST AND FILED WITH THE RETURNING OFFICER WITHIN ONE HOUR FROM THE TIME FIXED FOR HOLDING THE MEETING. When a proposed candidate is not present, his nomination paper shall not be valid unless there is attached thereto evidence satisfactory to the returning officer that he consents to be so nominated.

Candidates are urged to obtain from the Treasurer the requisite tax certificate and file same with the Clerk BEFORE NOMINATION.

If more candidates are nominated for the respective office hereinafter mentioned than are required to fill the same, the voting in the polling subdivision at the subsequent elections shall be conducted by the deputy returning officers at the respective polling sub-division as follows:

ST. GEORGE'S WARD - 79 Prospect Ave., 1A, James Nicolson; 1B, E. A. Robinson; 1C, Mrs. K. McLaren

ST. ANDREW'S WARD - Market Building 2A, Geo. Slugg; 2B, Alex. Eves; 2C, Waytt Moorby

ST. PATRICK'S WARD - Fire Hall 3A, Frank Doyle; 3B, Mrs. F. Brown; 3C, Arthur West

Monday, the Twenty-second Day of September, 1952

From 9 o'clock a.m. to 7 o'clock p.m. and no longer.

Of all of which all persons are requested to take notice and govern themselves accordingly.

GOD SAVE THE QUEEN

WESLEY BROOKS, Clerk and Returning Officer

Newmarket Social News

—Mr. and Mrs. J. E. Morris and Mr. and Mrs. H. S. Guthrie, Toronto, spent the weekend with Mrs. E. C. Bogart and family at their summer cottage, "Glen-avy", near Rosseau.

—Mr. and Mrs. Oliver Gould and Lee were Sunday guests of Mr. and Mrs. William Gould, Snowball.

—Mr. and Mrs. Edward Mitchell visited Mr. and Mrs. Kenneth Mitchell and family at their cottage, Duclos Point, Lake Simcoe.

—Mr. J. E. Cowland spent his vacation on a motor trip through Algonquin Park to Ottawa, Montreal and Kingston.

—Mrs. J. R. Stallard and Mrs. Jos. Waterhouse arrived home on Sunday from a month's holiday trip to Whitehorse, Yukon.

—Mr. and Mrs. Ernest Morton returned home on Sunday after spending a week with Mr. and Mrs. Norman Morton at their cottage, Mountain Lake, Minden.

—Mr. and Mrs. E. E. Gould and Mr. and Mrs. Sidney Richardson spent the weekend at Niagara Falls where they were the guests of Mr. and Mrs. Ernest Sykes.

—Mr. and Mrs. Herbert Rideout have returned from a motor trip to Glace Bay, N.S., where they visited relatives and friends.

—Mrs. H. P. Gilman, accompanied by her sister, Mrs. Jackson Kelly, Detroit, returned last week from a motor trip through the White and Green Mountains to St. John, N.B.

—Stuart Mitchell returned yesterday to his ship, H.M.C.S. La Hulloise at Halifax after spending his two weeks' furlough with his parents, Mr. and Mrs. Edward Mitchell.

—Mrs. C. E. Peacey, Toronto, is visiting her brother-in-law and sister, Mr. and Mrs. Frank Playter.

—Miss Helen Dixon, Aurora, was a Sunday guest of Mrs. Lella Rolph and Miss Francis Brown.

—Mr. and Mrs. Reginald Brice, Port Hope, visited last week at the home of Mr. and Mrs. Chas. Brice.

—Danny, Christina, Douglas and Heather Hansler, Chippawa, are visiting their grandmother, Mrs. Zeb. Harden.

—Mr. and Mrs. T. A. Mitchell, Mr. and Mrs. J. E. Morris, Mr. and Mrs. R. L. Pritchard and Mr. and Mrs. T. B. Scott recently visited at the cottage of Mr. and Mrs. M. B. Seldon, Blue Water beach.

—Mr. Verne Playter, Toronto, accompanied by his two children, Jim and Shirley, spent last week with his parents, Mr. and Mrs. Frank Playter.

—Donald Nichols, Toronto, visited last week at the home of Mr. and Mrs. Roy Martin.

—Mr. and Mrs. Robert McKenzie visited with the former's parents, Mr. and Mrs. Willard McKenzie, and daughter, Anne, Picton, N.S.

—Mrs. N. L. Mathews and Kathleen have returned to town after spending the summer months at their cottage, Thunder Bay beach.

—Mr. and Mrs. Donald McCann and family, Toronto, spent Sunday evening with their parents, Mr. and Mrs. Bert McCann.

—Mrs. H. Smart spent last week with Mr. and Mrs. Charles Dadson, Stouffville.

—Visitors at the home of Mr. and Mrs. J. S. Osborne during the week were Mr. and Mrs. J. Harrison, Newark, N.J.; Mr. and Mrs. Duncan Christie, Kennelcook, N.S.; Mr. W. Osborne, Sutton; Mr. and Mrs. W. M. Shadwick, Toronto, and Mr. and Mrs. Patterson and twin sons of St. Thomas.

—Mr. and Mrs. William Bolton and son, John, of California, visited Mr. and Mrs. F. Hoover last Friday.

—Mrs. Paul Juhl, Chicago, spent the past month vacationing at Miami Beach with her sister, Mrs. Douglas Ritchie. Mrs. Juhl expects to return home in about a month.

—Mr. and Mrs. Robt. W. Brooks and Paul, of St. Thomas, spent the weekend with Mr. Brooks' parents. Their daughter Lovel returned home with them after a two weeks visit with her grandparents.

First may be distinguished from other Canadian conifers by the fact their cones never hang down but stand erect on the branches.

The Common Round...

By Isabel Inglis Colville

WHEN GRANDMOTHERS MEET

In the 31 years we have lived at Ingleside, I think I've only missed one Women's institute grandmothers meeting.

In recalling those meetings, there are glad things and sad things. For many years — 13 of them I think — the meetings were at Mrs. Chas. Flintoff's home on the 6th. After that at various homes, and always the grandmothers put on a fine program. It makes one glad to remember the many interesting events in the lives of some of the grandmothers — the self sufficiency of the family — and its solidarity, and to note the wide difference in a world where so much is provided in labor saving devices for the family men and women — and where each member of the family has his or her own interests — loosely knit instead of closely.

The sadness comes from the fact that so many of these grandmothers have passed beyond the veil to a larger sphere of action.

But I wish to speak of the most recent of these meetings — the one held by the Bogart/Inglis Institute on Tuesday, Aug. 19, at the home of Mrs. Leslie Harper.

There were 60 present — most important, 16 grandmothers — 15 belonging to the Institute and one, Mrs. Alvin Ridley, a guest.

There were three other guests I'd like to mention, Mrs. Alan Forbes of Oshawa, who for many years was secretary of our Institute, Mrs. Elman Campbell, Newmarket, who was present to help Mrs. A. Ridley with information about our trip to Peterborough, and Mrs. Reed who is a recent member of our community.

It's of the program put on by seven of the grandmothers I'd like to speak. First of all we sang the old songs — perhaps I should say the songs which never grow old. Then Mrs. G. McClure gave us a fine skit in which

each one of us were shown our little foibles and what our hostesses thought of us. I was called the glad hand artist and was supposed to have remarked, at the township hall, while investigating our taxes — "have you ever noticed the concern showed about roads — about two months before elections?"

I wish I could quote a few more of the things we were supposed to have said — they were good.

Mrs. McNeil had a contest on "The labor saving devices our grandmothers didn't have. Thinking of all these made it seem marvellous what the grandmothers accomplished without them!"

Then Mrs. Wes. Williams gave us another account of an Institute meeting and what one acid tongued lady thought of our efforts along various lines. I can only quote again what directly concerned me. It seemed I had failed miserably in pressing Archie's trousers — the pity of the other ladies surrounded me.

Then these versatile grandmothers gave their rendition of that old song "Wait for the wagon." Many a husband and son must have wondered at the gaps in his wardrobe, for these ladies had railed them and so equipped had formed a manly clique to surround the one lady in the song, Mrs. McMillan, who, in traditional white shirt waist, long black skirt and with hollyhocks in her hair, had charmed the circle of admirers. It was quite exciting when (Mrs.) Al Penrose, as the successful suitor, carried off the much admired lady.

At the close of the program a most delicious lunch was served and everyone, including the 19 children who lunched on the lawn felt that they had had an afternoon of real fun and relaxation.

A Thank You
I'd like to thank the editor of the Aurora news page for the very kind things he said about me. It is a word of encouragement like this that gives a spice to life and a new impetus to do better the tasks before us. Thank you, Mr. Sinclair.

CAMPBELL-LANGLEY

Attended by many guests, the marriage of Miss Mary Hawthorn Langley, daughter of Mr. Roger Benjamin Langley, and the late Mrs. Langley of "Shadowmere," Gormley, to Mr. Alexander McEwan Cringan Campbell, son of Mrs. Ewen S. Campbell, of Toronto, took place in St. John's Anglican church, Oak Ridge, Rev. D. C. H. Mitchell officiated.

Mr. Langley gave his daughter in marriage, and she wore a graceful gown of rose point lace over satin. The fitted bodice, made with long pointed sleeves and low scalloped boat neckline, was appliqued to a bouffant nylon net skirt ending in a train. Her long veil was held by a cap of lace and satin, and she carried a cascade of white stephanotis and gladiolus petals.

Miss Nancy Langley, maid of honor for her sister, Misses Caroline Schaefer, Mary Taylor and Ann Wickham, chose long gowns of Nile green taffeta, with bouffant overskirts of marquisette over nylon net. All wore matching taffeta jackets and sashes, and Juliet ears with points of nylon net. They carried white baskets of anemone chrysanthemums and green myrtle.

Mr. J. A. Campbell was best man, and the ushers were Messrs. Donald Schell, Donald Hawthorn and Robert Cringan.

A reception followed at the home of the bride's father, Mr. and Mrs. Campbell will live on Princess Avenue, Willowdale.

WIN TORONTO TROPHY

A trio of Newmarket bowlers, Ken Bain, skip, Dr. C. E. Vandervoort, vice-skip, and Tommy Scott, lead, went to town in a big way at the Rusholme club (Toronto) trebles lawn bowling tournament for the Pickard Cup last week. The local bowlers brought back the trophy with three wins, 57 plus 3. Twenty rinks, mostly from Toronto, entered the competition. It was the first time that the trophy has been brought out of Toronto.

DOWN THE CENTRE BY AD HULSE

Scanning The Local Ponies

Miller Wray, the genial Schomberg sportsman who has been gradually building up his trotting stable and over the past few years has been getting his share of wins in the smaller trotting meet, crashed the big-time last week as his crack juvenile trotter Ben Boy set the Canadian record for the one mile trot for 2-year-olds at Thorncliffe.

Ben Boy, a son of Earl Rowe's Van Riddell, which once raced in a Hambletonian (the Kentucky Derby of the sulks) went the distance in 2:13, bet-

tering the mark of Roman established at the Glencoe oval in 1944. The Schomberg horse was running against older horses and was handled perfectly by the veteran Peter Miller. Both Wray and Miller are satisfied that 1953 will be the year for their horse, and neighbor Rowe will take satisfaction out of the smart performance of Van Riddell's first crop of juveniles.

You'll see Ben Boy at some of the neighboring country fairs, but Mr. Wray will take not too many chances with this valuable piece of horseflesh. Ben Boy paid off at \$13.70, \$6.30 and \$6.60 at the mutuels.

Just to keep things chummy, Celia's Counsel, owned by Mr. Rowe, took down the \$1,000 Invitation Trot with ease and hap-

py tinkles at the pay-off wicket. Turning to the runners, Geo. D. Y. Leacock, well known resident of the district who has recently moved to Thornhill, will have two good jumpers in action at Woodbine, named respectively Surprise Camp and Camp Whip. To add to the reputation North York is acquiring as a breeding centre, Malcolm D. Richardson of Aurora, one of the directors of the Canadian Thoroughbred Association, obtained four figure sums for two yearlings, one by Bunty Lawless, the other sired by Filisteo. Mr. Richardson's listings are always watched with interest by the higher bracketed racing stables. Another year or two Mr. Richardson will be up with the top Canadian breeders.

Peaches VanZant is really singing the praises of Sarah Baradell, the Kettleby gal whose strong right arm, coupled with that of Hester Clarke, may well bring Newmarket its first ladies softball crown on a provincial level and about time too, as the luck can't always be bad. Sarah is indeed the prize rookie of the year and bids fair to rank with the best softballers on the distaff side ever produced in North York. We've produced some pretty good ones too.

Marg McCann, one of two lady coaches in Toronto senior softball, has returned to the diamond to aid her club in their drive for world championship honors. For the past decade, the Newmarket gal has been outstanding in senior softball. It will be recalled too that Moss Doane of Newmarket won her place in Sunnyside senior company a few years ago and Jeanne Channon from Uxbridge ranked with the best of city hurlers a few years ago.

Vida Gowland of Unionville-Markham was probably the first "country cousin" to show bigtime softball that we could produce as good. She played in company with Fanny Rosenfeld and all the rest. Lefty Hooper of Thornhill, for years was one of the best outfielders in Ontario girls' softball, could powder a ball with the best. Jimmy Goulding of Aurora, who was christened "Alma", took her place on the mound for Toronto Oakwood ladies and other Toronto teams and was able to do all right.

If we remember correctly, the late Jessie McLean of Maple and Irene Jones also had a brief whirl at senior softball. It isn't simply that they generally don't get as good coaching or competition, and that they're pretty well satisfied to stay in the home town or else middle-aisle it early.

Optimist Bantams Ahead
Jack Cain's two-hit pitching, errorless fielding and lusty bat swinging by Bill Forhan, Francis Lewis, Don Zogalo and Jack Cain furnished Newmarket Optimists with an 8-1 win over Richmond Hill at the S. S. diamond Wednesday in a North York bantam baseball league round-robin playdown game.

The win gave the local ball hawks the inside track on the league's crown with two wins and no losses. Jack Cain, hurling sparkling ball, whiffed 13 Hillmen and didn't allow a runner aboard until the fourth when Jack Hisey singled. Cain lost his shut-out in the seventh, hitting batsman Baker, and Sonny Stenden came through with the Hill's second hit to send his mate scampering home. Optimists rallied for three runs in both the third and fourth and completed their scoring picture with two in the sixth. Bill Forhan, Francis Lewis, Don Zogalo and Jack Cain bagged two hits each. It was one each for Bill Cain and Lorne Babcock.

Reach Semi-Finals

Keith Davis and his Newmarket tennis boys and girls gained a spot in the North York tennis league finals by slaying Aurora 8-0 here Wednesday in the league's semi-final matches. Newmarket will now meet either Mount Albert or Richmond Hill for the league title.

Results with Newmarket players names first were: men's doubles, Keith Davis and Charlie Lee defeated Frank Wins and Pat Davies, 6-5, 6-3; Jack Peppiatt and Ken Peevers defeated Keith Nisbet and Les Filotas, 6-6, 6-5, 7-5;

Ladies' doubles, Joan Peppiatt and Joyce Bothwell defeated Mary Adams and Betty Boulding, 6-2, 6-3; Marg Davis and Mary Dales defeated Evelyn Jones and June Adams, 6-2, 6-0; Mixed doubles, Joan Peppiatt and Keith Davis defeated Mary Adams and Frank Wins, 6-4; Joyce Bothwell and Charles Lee defeated Betty Boulding and Pat Davies, 6-3; Marg Davis and Jack Peppiatt defeated Evelyn Jones and Keith Nisbet, 6-2; Mary Dales and Ken Peevers defeated June Adams and Les Filotas, 6-3.

King Loses In O.R.S.A.

King City Maroons, carrying the Peel-York Softball League Intermediate A torch in the Ontario Rural Softball League play-downs, lost a tough 6-5 decision to Rockwood in the start-off game of their first round series. Game two will be played at King and if the Hall-Cutting men gather in a win, third game will be played on a neutral diamond.

King, outfit Rockwood 12-11 and were away to a running start with a three-run first innings. Errors got King City hurler Gord Orr in trouble in the fifth and sixth as Rockwood captured the game with a two-run uprising.

John Richards collected three hits and it was two each for Bob Gillis and Keith Kyle, in the King cause. Gord Orr punched out one hit in support of his pitching and Hank Natalie, Tommy Hulme and Charlie Shields added a safety each to complete King's hit show.

SPORTS CALENDAR

Aug. 28, 7 p.m., Aurora park, town league, semi-finals, Civil Service vs Ditch Diggers; 8:45 p.m., Newmarket arena, pro wrestling, four-bout card; 7 p.m., Barrie & District ladies, semi-finals, Newmarket at Barrie.
Aug. 29, 6:30 p.m., South Simcoe baseball, finals, 4th game, Newmarket at Alliston.

BUICK CUSTOM 4-DOOR TOURBACK SEDAN

It makes each drop of gas say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine.

But the problem is to put that energy to work.

So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-piston—gets whipped into a churning, swirling ball of tight-packed energy.

Then it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "car of the future."

It happens in a Buick Fireball 8 Engine today. It's a high compression engine. It's a valve-in-head engine. But it's also a Fireball in performance as well as name.

And it puts extra power under the hood—and extra miles in the fuel back in the gas tank.

The Fireball Engine powers an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a faster beat.

It's a car that seems to know what you want it to do—true and sure in its course on a straight-away—beautifully balanced on curves.

It's a car with Dynaflo Drive* to feed power with infinite smoothness and a road-hugging levelness of ride.

And it is, with all this, very reasonably priced. Why not come in soon, and see and drive a Buick ROADMASTER, SUPER or CUSTOM for yourself?

Equipment, accessories, trim and models are subject to change without notice. Wheel crests standard on Roadmaster, optional at extra cost on other Series. *Standard on Roadmaster, optional at extra cost on other Series.

Sarah For Two Wins

Pardon us if we seem a little confused. It's the softball-baseball fever. What have we to consider for Hashman Award? Orle Thoms' two-hitter, Don Thoms' grand slam homer, Bill Thorne's out-of-this-world catch Monday and Sarah Barradell's iron man two-game pitching stunt at Bowmanville Saturday.

Ladies first so this week we're handing out the Hashman award to Sarah Barradell. In the words of coach Charlie VanZant, Sarah pitched two terrific ball games Saturday winning 5-2 and 16-2. Her number one win evened up the series with Bowmanville and her second effort in the evening put the local ladies into the P.W.S.U. semi-finals.

Hoffman Leads In Semis

Hoffman Pressmen took a commanding two-game lead in the best of five town league semi-finals, trouncing All Peel's Thompson-Bell machine 12-1 at the fair grounds Wednesday. The winner of the series will play Office Specialty in a four out of seven set for the town league title.

Sports-Cycles withdrew from the race at a town league emergency meeting Tuesday. Third game in Hoffman-Bell series is scheduled for next Wednesday. Hoffman can wrap it up with a win.

Bill VanZant's two-hit, eight strike out pitching, coupled with 11-hit support and sharp base-running, put the Hoffman machine in line to smash the Thompson men Wednesday. Bill VanZant held a no-hitter in his first until sixth, losing it on Bill Johnston's triple and Mickey Smith's double. Those two blows gave the T-B's their lone run. Al Wilson led Hoffman with three hits and it was two each for Orle Thoms, Motts Thoms and Don Gibson.

HIT WITH AUTHORITY

Hoffman and Specialty, who most town league experts figure will qualify for the finals, got off on the right foot in the Town League semi-finals Monday. Hoffman picked up four unearned runs, one in the first, two in the third and one in the fifth, to trip Thompson-Bell 4-2.

In the nightcap, Specialty swung with nine-hit authority and were aided by seven Sport-Cycle boots as they walloped the unfortunate Cyclemen 15-2. Specialty took to Ted Tidman, Cycle starter, like ducks to water to parcel the win with an eight-run spree in the first two frames.

That brought Art Dobbie on the scene. Art's fate wasn't much better than his predecessor as the Specialty continued to sock hard and often to run another seven runs across the plate. Neither pitcher had much help in the field as the Cycles turned in a butter-fingers show.

John Sheddowick, fire-balling for the cabinelmakers, came through with a five-hitter. John lost his shut-out in the sixth after Harold Stephenson got on the decks on a bunt and John MacNabb punched him home with a triple. Cycles squeezed across a second run in the seventh on Nobby Ash's single, an error and Ted Tidman's infield out. Bernard Kay's homer and Bun Cook's double were the big blows in the Specialty early run scoring. Charlie VanZant also cut into the hit melon with two hits. First game, in contrast to the nightcap, was a pitcher's duel. Hoffman tagged Morley Cook for three hits, with Laurie Thoms' two triples and Motts Thoms' single featuring. Thompson-Bell built their two runs in the lead innings around Stan Evans' single. Mickey Smith, Morley Cook and Lloyd Cudmore clicked for the Bellmen's other base-knocks. Bill VanZant whiffed five, Morley Cook six.

Milton Here Sat. For O.B.A. Contest

Ladies Defeat Lindsay 4-3

Newmarket senior ladies defeated Lindsay 4-3 at the fair grounds Wednesday to get away to a winning start in the P.W.S.U. intermediate semi-finals. Return game will be played at Lindsay Saturday.

Series winner takes on Midland for the Ontario crown. Midland conquered Dixie in their first round activity and drew a bye into the finals. Jeanne MacDonald scored from third base on a wild pitch in the seventh to provide Newmarket's winning margin.

Fine clutch pitching by Sarah Barradell, peppery fielding and timely eight-hit clubbing featured in the Newmarket win. Newmarket went for an early 3-0 lead on run scoring drives by Mona Dean and Shirley Wilson. Lindsay got back in the game with two charity runs in the fourth when Jeanne MacDonald's attempted pick off throw was wide. Lindsay's first of the ninth last ditch rally that got them a run-one short of tying it—petered out as Sarah Barradell knocked down a liner and Mary Osborne and Edna McGrath took care of the next two batters. Mona Dean was a two-way star, furnishing two hits and backing up first, nailed one Lindsay runner in a run-down play. Phyl McInnis poked out two hits. Lois Darrach socked the long blow of the game, a triple. Joan Wallings had three hits to lead Lindsay. Doris Mitchell went all the way on the Lindsay mound.

LOSE TO BARRIE 6-5

Third and deciding game in the Barrie & District semi-finals is scheduled for Barrie tonight (Thursday). Barrie evened the best of three series Tuesday with a 6-5 home win. Fern Campbell's two-run pinch hit homer in the last of the seventh changed a Newmarket 5-4 lead into a 6-5 deficit. Lois Darrach and Hester Clark singled to stop Dorothy Miller's no hit notions and furnished the plate power as the locals dived in three runs in the second and two in the fifth. Barrie picked up six hits off the combined pitching of Hester Clark and Sarah Barradell.

LOSE OPENER

Newmarket senior girls lost 4-3 to Bowmanville last Wednesday and a host of fans were saying "that's it for this year. They can't win two in Bowmanville." What a surprise was in store for them when final returns trickled in from Bowmanville Saturday.

Newmarket came back behind a well pitched game by Sarah Barradell, near perfect fielding and timely clubbing to floor Bowmanville 5-2 in the afternoon contest. And in the evening game, the VanZant coached girls found their batting eyes with a vengeance to trample Bowmanville 16-2.

In the opener Coach VanZant charged his clubbers to get in and swing and they did, going into action with single runs in the first and second and for all intents and purposes—with Sarah Barradell pitching nifty ball—platted the winning three runs in the fifth. Shirley Wilson, Edna McGrath and Sarah Barradell skidded shots through the infield for the game winners.

The second game was never in doubt as VanZant-Ruthven nine hiked across four runs in the first and scored in all but two innings to steam-roll to a 16-2. All Newmarket was hitting. Emma Bragg, the Bowmanville pitcher here, was pounded hard and often, and finally got help from Jean Coverley in the fifth. Edna McGrath, Phyl McInnis, Jeanne MacDonald and Lois Darrach were chief hitters.

Sarah Barradell almost presented Coach VanZant with a shut-out, losing it in the fourth as Nancy Hagerman singled home two mates. Lois Darrach supplied the outfielding gems. Newmarket infield was near perfect and Mona Dean caught in major league style.

WIN IN BARRIE SEMIS

Newmarket slipped in a game in the Barrie & District softball league semis Thursday at the fair grounds and more to the point pleased the home customers by upsetting Barrie 3-2. That gave them a 1-0 lead in the best of three semi-final set. Game two and, if necessary, game three of the series is carded for Barrie tonight.

Dorothy Miller, usually a nemesis to our gals, was tagged for two runs in the third as they sandwiched four of their six hits, including run scoring singles by Jeanne MacDonald and Phyl McInnis, into the big frame. Hester Clark, pitching steady five-hit ball, didn't enjoy the luxury of that 2-0 lead long as Barrie came back to knot the score with a two-run fourth. Dorian Parker's single drove in the McLean sisters, Beth and Lorna, both aboard via the free ticket route.

Barbara Watt gave Newmarket just the run they needed to win in the fifth with a looper into right that the Barrie fielders fanned on. Barbara Watt's hit plated Sadah Barradell. Coach VanZant terminated the threat of a Barrie rally in the seventh, bringing in Sarah Barradell to the mound after Hazel Wright had clipped a start-off single.

Barbara Watt picked up two boppers and Phyl McInnis dragged down a Dorothy Miller bid for a hit with a one-handed stab. It was the catch of the game. Sarah Barradell made two good catches in the outfield and punched out two hits to lead the sixth hitting. Jeanne MacDonald, Phyl McInnis, Barbara Watt and Hester Clark stroked out a hit each. Dorian Parker led Barrie at the plate with two safeties.

Play Ports 19-9 in O.B.A.

Newmarket Optimists bantams rose up from behind a 9-3 third innings deficit with a torrent of late runs to crush Port Hope 19-9 at the Fair Grounds Saturday, in an O.B.A. first round playoff game. It was the second game of a best of three series. The first game ended in a 7 all stalemate. Third, and possibly deciding, game will be played in Port Hope Saturday.

Fitcher Don Thoms socked a grand slam homer in the fourth to start the Optimists on the way back and nine runs in the fifth gathered off three walks, three errors, Bob Wilson's double, Lorne Babcock's triple and Don Zogalo's single wrapped up the game.

Port Hope outlived our young hopefuls 10-6 but Don Thoms vindicated coach Lowell Walter's faith in his pitching by holding the Ports runless after the third. Thoms whistled a third strike by 10 Portmen.

Bill Cain socked a first inning two run homer and Jack Cain stole home in the eighth to make the Ports rout complete. Ron Foote headed the Port Hope hit list with three.

WIN THIRD STRAIGHT

Jack Cain spun a neat two hitter and his mates exploded for eight runs in the second and six in the fourth to give Newmarket Optimists bantams a 14-2 win over Richmond Hill Tuesday in a North York Bantam Baseball League playoff game. The win gave the Optimists three straight triumphs and the inside track on the North York Bantam Baseball League title.

Lorne Babcock homered, Bill Cain, Pat Ewing and Jack Cain tripled as the Optimists teed off with a long range batting display that all but chased the Hillers out of the ball park. The game was called in the fourth due to darkness.

Newmarket: C. McGuire, J. McGuire, W. Cain, J. Cain, F. Lewis, D. Lewis, P. Ewing, W. Forhan, D. Thoms, D. Zogalo, W. Wilson, B. Millon.

Keswick Wins Tourney

Four teams, Zephyr, Willow Beach, Office Specialty and Keswick, were on hand Saturday for the softball tournament staged in connection with the second annual North Gwillimbury Sports Day. The games also marked the opening of Keswick's new sports field.

In the round one games, Keswick defeated Office Specialty 8-1. Harold Smith outshone Specialty pitching twosome of John Sheddowick and Don Glover. The loss however couldn't be directly charged to the pitching as the Specialty fielding cracked wide open at the seams. Bob Pollock eased Smith's pitching burden by socking a homer.

Willow Beach nosed out Zephyr 6-5 in the other first round game. Long ball hitting honors went to Beachers' Ted Anderson for his home run blast.

In the play-off for third money, Zephyr squeezed out a 6-5 win over Office Specialty on the strength of Lon Ganton's pitching and Clarkson Arnold's circuit smash.

Keswick defeated Willow Beach 6-2 in the final to capture the major prize money.

In the ladies' game, Gladys Reilings' Mount Albert girls defeated the Lake Simcoe Junior Ladies all-stars 15-5 to round out the busy softball schedule.

Milton meets Newmarket Redmen in the O.B.A. intermediate B playdown, first round, on Saturday afternoon at 3 p.m. at the fair grounds.

Second game will be played in Milton Monday, Labor Day, at 3 p.m. That was the official word received from the O.B.A. Monday afternoon.

The O.B.A. play-off plans will give the Redmen a busy

weekend schedule as they'll likely head for Alliston Friday for the fourth game in South Simcoe baseball league final series. Skipper Robinson and Coach Hack Cain are confident the Redmen will give a good account of themselves in the O.B.A. playdowns. This year's entry in O.B.A. intermediate race marks the return of O. B. A. baseball after an absence of over a decade.

Did Alliston Win?

Question mark of the week seems to be who won the third game of the South Simcoe baseball league finals at the fair grounds Tuesday? On the score sheet, it was Alliston 9, Newmarket 3. But whether that one goes as a completed game is a horse of another shade.

Actually, local tribe guides understood it had to go a full seven to be a game. It didn't. Umpire Joe Tunney called it quits in the gathering gloom of the first of the sixth, with Alliston two on and two out. League executive will likely have the last word on the burning question of game or no game.

Meantime, Redmen are supposed to trek to Alliston tonight for game three—or maybe it's the fourth, time will tell. Although Alliston only outlived our tribesmen 8-7, they made those blows count, doing the most damage to the locals' pride with a six-run splash in the fifth. Invaders led at that point 3-2 after Ken Broughton, starting Redmen hurler, was tagged for three hits and two runs in the first. Broughton got into hot water again in the third, allowing Junior Edgar a hit and walking Doug Wright. Then Orle Thoms took over, Orle couldn't find the plate and walked in Alliston's number three run.

Redmen counted their two runs in the start-off innings. Bill Grant's triple and Hack Cain's single were the main blows in their one-scoring effort, and at that, they needed help from Alliston catcher Tommy Byers' wild heave to second to get Don Gibson home with run two. The old bugbear of leaving runners stranded shut off further run production as Redmen left one in the first, second, third, fourth and two in the fifth.

Jerry Hugo was hit leader with two and it was one each for Bill Grant, Herb Cain, Jimmy Cook and Ken Broughton. Redmen lacked the old pepper afield and they'll have to do an about face to fly the champion.

Orchard Ties With Blues

Pine Orchard topped Zephyr 5-3 Wednesday at Pine Orchard to even the best of three Lake Simcoe softball league semis at a game each. Harry Brummer's Orchard clubbers busted out of their traces in the fifth for three runs to salt the game away. That hitting broke up a tight 2-all pitchers' duel between the Blues' Ron Kester and Orchard's Ted Tidman.

Third and deciding game goes in Zephyr Friday at 7 p.m. Final series will likely start on Tuesday or Wednesday of next week. Lorne Shropshire, Bill Dike, Harry Brummer, Howie Ash and Roy Eves punched out the pay-off blows for the winners Wednesday. Don Hewlett headed the Blues' hit list with two while Harry Hawse and Ron Kester supplied doubles.

TIE GAME

Pine Orchard and Zephyr didn't do much to solve their tangle Monday, battling to a 4 all tie. The winner, when they get the series settled, will battle Mount Albert, conquerors of Keswick, for the league title.

In the Monday cat and dog scrap at Pine Orchard Zephyr were first off the mark with a two run first on a walk, Ches. Lunney's near perfect bunt and Ken Pickering's single. Pine Orchard countered with a single run on Noel Ash's walk and an infield "rock" by Ken Pickering.

Zephyr teed off with an extra base clubbing display in the fifth as they went ahead 4-1 when Bill Thorne's sank a homer and with two out, Ches. Lunney doubled and scored on Clarkson Arnold's triple. Pine Orchard came right back with a matching two run effort. Andy Lloyd and Howie Ash made stops at the pay-off window on an infield out and short stopper Alan Pickering's low throw to first. Roy Eves put good lumber to a Kester pitch in the sixth for three bases and trotted home on an error for the Orchard's tying run.

Orchardmen made a gallant but futile stab at winning it in the last of the seventh as Howie Ash doubled and Lorne Shropshire singled. Ron Kester closed out the budding rally by inducing Alvin Pegg, Ted Tidman and Roy Eves to sky out to the outfield.

The game was full of sharp fielding. Bill Thorne's featuring with his snare of Ted Tidman's sure homer in the third. Ron Kester held a slight advantage in the pitching, allowing five hits, Tidman seven.

Zephyr won the series opener

ship bunting at the fair grounds masthead.

THRASH ALLISTON
Newmarket thrashed Alliston 13-2 at the fair grounds Friday in the second game of the South Simcoe finals. The win squared the finals at a game each. Hack Cain's pitching trump was Orle Thoms who embalmied Alliston with a sparkling three-hitter.

Redmen swung furiously for ten base hits, four for extra sacks, including towering homers by Jerry Hugo and Don Gibson, triples by Wilf Elsy and Wayne Robinson. Jerry Hugo's four-ply smack scored Alvie McKnight and Bill Grant ahead of him to get the Redmen off and running on a three-run first innings. Wilf Elsy tripled in the following panel to touch off a four-run spree to give the Redmen a 7-0 lead.

Redmen continued on their merry way with single runs in the third, fourth and sixth, and Don Gibson sparked a three-run fifth by smashing one of Doug Wright's pitches out the fair grounds gate with Orle Thoms and Alvie McKnight aboard.

Dugout chatter: One sad note to the Redmen's triumph is that Wilf Elsy will be lost to the team for the season. Wilf suffered a split finger in the third. Bill Grant downed the big decker, his third catching try, and turned in a creditable performance.

Newmarket's two-hit men were Alvie McKnight, Don Gibson and Jerry Hugo. Wilf Elsy, Wayne Robinson, Hack Cain and Jim Cook collected one each. John Ney, Tommy Byers and Rick Seney hit safely for Alliston when they plated a run in fourth and sixth.

Redmen had three errors, two charged to relief catcher Bill Grant. Redmen even pulled the hidden ball trick on the unsuspecting Allistoners. Don Gibson turning the trick in the fifth. It was done so slickly even the base ump had to be shown to believe it actually happened.

Storage Wins First Series

Queen City Storage, first place finishers in the Aurora Town League, got off to a winning start in the semi-final with a 10-8 win over Delahaye Rockets Tuesday. With the score tied 8 all going into the seventh, Harry Sutton, Red Castle and Jimmy Emmons picked the right spot to get hits to score the Storage men's game winning two runs.

Storage men fashioned an early 8-3 lead. Rocketmen rebounded with five in the fifth to tie it as Ron Simmons unloaded another of his bases loaded pinch hit triples. Grant Winters, Jack Andrews, Harry Sutton, Andy Closs Jr. and Red Castle gave Norm Stundten the batting support he needed to pick up the pitching win over Rocket fliker Doug Richardson.

Paul Knowles, Bobs Cook, John O'Mahoney and Bud Cato were the big batsmen with the losers. Game two of their best of three semi-final series is carded for next Tuesday.

Townesley Heads Hitters
Bruce Townesley, Hoffman's hard hitting slick fielding third sacker, won the Newmarket Town League batting crown this year with an average of .461.

Bruce collected 13 hits in 28 times at bat to compile the winning mark. Last year's batting leader, Mickey Smith, finished second with .432, pounding out 19 hits in 44 at bats.

Don Burch, Office Specialty outfielder, built up a .404 average on 19 hits in 47 appearances to win third place. Hit statistics issued last week indicated this year's town league was a pitchers' league as only nine regulars boasted a better than .300 average. Top three hit leaders mentioned above were followed by Noel Ash .406, Harvey Gibney .379, Tod Mosler .333, Bun Cook .333, Don Smith .333, and John McTavish .310.

Old Aurora Boy Describes Fatal Shooting In Yukon: Discussion In Barber Shop

A letter from the Alaska Highway reached us the other day. Before we read its contents we were interested in its letter-head, which showed a map of the Alaska territory and the following rhyming description of it: "Winding in and winding out, fills my heart with serious doubt, As to whether the dude that built this route, was going to hell or coming out." The author's name was not given, but it sounds like Robert Service.

The writer of the letter was R. A. (Ronnie) Gunton, son of Dr. G. A. C. Gunton, who left Aurora some months ago to take a position with the Canadian Bank of Commerce in the Yukon. Just before his departure we asked Ronnie to let us know how he was getting along, and we now print his reply exactly as he wrote it.

He writes: "Some months ago you asked me to write and let you know what my impressions of this country were. Since that time the thought has not crossed my mind, but tonight there was an occurrence which caused me to thank God that my friends and relatives live in a 'dry town'."

"It was just like any other night, and I was relaxing in my cabin. First was the weird wailing of the huskies, which soon was followed by the sharp cry of the sirens.

"I hopped up and followed the crowd after the piercing sound. The cab was in the ditch at the foot of the 'Two Mile Hill'. I could see it was one of the 'inn' cabs. The first look was sickening, as the windows were flecked with blood. The front left 'No Draft' was shattered. In the roof, over the right back seat, was a hole with the rough edges forming a vicious-looking spike, caused by a .45 calibre bullet. The front seat was a pool of blood.

"The Mounties escorted a man from the rear of the cab and I turned to one of the onlookers and asked what had happened.

"Murder," he said. "They were driving up the hill when this guy at the back shot the driver (Ralph Caruso) in the head, and then his companion turned on him and they fought it out until the Mounties came."

"That murder would never have happened if it had not been for the liquor, because there was no motive, and not likely any intent, as they were strangers as far as I know."

"There are several liquor establishments and one beer store. Many people get killed or injured as a result of it. That is why I am glad my home-town is 'dry'."

"This country is much like the Georgian Bay district, except the hills are mountainous and the lakes are rivers, if you get what I mean. I find that the people originally from Ontario outnumber those from all other provinces, so there does not seem to be a great change as yet."

"Dr. Gunton is well established in the territory now and is greatly appreciated. He is at present located in Whitehorse and has just returned from servicing the town of Elsie, Y.T., which is owned by 'United Keno Hill Mines'."

In a more personal vein Ronnie writes: "We met Mrs. Waterhouse and her mother, Mrs. Stalard of Newmarket, at the Regina hotel. They came by plane from Edmonton to visit Mrs. Stalard's son, Jack, who is a civilian worker for the army here. They left for Vancouver. They seemed to enjoy themselves here. Say 'Hello' to the Willis (Willis drug store) for me next time you see them."

We were glad to receive Ronnie Gunton's letter insofar as its contents indicate that the Guntons are going along fine, which will greatly interest their many friends in Aurora. We hope this happy state of affairs continues for them, and that the next time we hear from Mr. Gunton he will not find it necessary to relate another such tragic happening as the fatal shooting.

Beautiful Thought. Almost at the same time that Ronnie's letter arrived we received a picture postcard of the lighthouse on Muskoka Lake, containing the following beautiful lines: "I know not how those islands lift, their fringed palms on air; I only know I cannot drift beyond His love and care."

The postcard presented a lovely view of the lake and the

lighthouse. But the post office, with a promiscuous application of its rubber-stamp imprinted the name, "Aurora", slap bang on the lighthouse. Surely the Aurora post office is not proceeding to annex the Muskoka lighthouse! Meanwhile, the rubber-stamp despoiled another beautiful souvenir.

Life Can Be Hard. At a recent meeting of council Mayor Rose brought to light an instance of how hard life can be for the innocent. He described a visit to a patient at Lake Wilcox, where a sick mother and her two children struggled to survive in the following circumstances.

Her husband in jail, the sick mother was in receipt of \$31.50 every two weeks. Out of this she paid \$22 in rent. That left \$9.50 on which to feed and clothe the mother and her two children.

The mayor's recital of this hard case was very moving and proved that a medico can have cold and sensitive feelings for the under-privileged. It also showed that one half of the world doesn't know how the other half lives.

Barber Shop Report. In Ross Mosley's barber shop two men were agreeing that meters in Aurora had destroyed its old feeling of friendly neighborliness. They were Elgin Evans and Morgan Baker. Both were undergoing the process of a removal of hisute over-growth, and as they talked we listened. We have heard no better talk in a barber shop for a long time.

After agreeing that Aurora would be a better town without meters, they further agreed that road-hogs under the influence of drink should be severely dealt with. Then they amicably disagreed on the subject of drink itself.

"Better if people wouldn't drink at all," affirmed Mr. Evans.

"No harm in a drink when you feel like one," retorted Mr. Baker. "I'm not such a bad specimen for a man who takes the occasional drink."

"And I'm not such a bad specimen, either, and I never touch it," said Mr. Evans. General laughter followed on these good-humored rejoinders.

The cloth being removed from Mr. Baker, he rose to go. "Not sure which is my hat," but if I take Elgin's I guess it'll be the best one."

Elgin Evans was in our office the other day. We recounted this story to him. "Absolutely correct," he said. "But I didn't notice you in the shop. 'No, we always sit and say nothing,' we replied."

Mr. Evans has retired from his lumber business, which he has carried on for the long period of 40 years. An old Aurora boy, we are bringing our readers a write-up of Elgin Evans in our "Personalities" series. In an early issue. A name familiar throughout North York, Elgin Evans has topped up a personal record of remarkable achievements.

Take a Vote. In regard to the proposed vote of council on September 8 as to whether the meters are to stay in or go out, a well-known Main street merchant put the matter this way to Aurora News Page.

"If the members of council," said he, "are in doubt on the matter they should arrange for a vote of the people to be taken when the municipal elections are held in December. The need for a vote could be explained to the meter company and if it insisted on taking the meters out, then they could be told to go right ahead."

"The vote could still be taken and if the majority want meters, then there are plenty of meter companies who would gladly put a new lot in. It is unlikely though," he continued, "that if the situation were explained to the present meter company that a refusal would be given for the sake of a couple of months. Such an arrangement would be good business, and there is no doubt that the company would meet the wishes of council and allow a further few months' trial until the vote of the people was given."

This merchant said that if he were on council that would be his stand on the matter. It would remove any possibility of a grievance that might be felt against councilors for voting for or against, since later they would be carrying out the wishes of the majority of the people.

\$200 Award. Principal J. H. Knowles announces that the John Stuart award of \$200 was won by Marion Monkman of Cousins Drive, Aurora, who was also chosen as valedictorian in the fall commencement.

ASK THE PEOPLE

The most practical suggestion that has come out of the meter discussions is the one we have recorded in our columns, What They Are Saying, in this week's issue of Aurora News Page. It is the suggestion, made by a Main street merchant, that a vote of the people should be taken on whether meters should go or stay.

We certainly think that the onus of responsibility should not, on so important a matter, rest with council. Members of council will want to do the best thing for the town, but they have no absolute means of knowing what the majority of the citizens feel about meters. There are merchants who want the meters to stay; and perhaps as many or more who want to see them out. The same goes for a great many citizens.

For members of council to vote for the best interests of the town in an atmosphere of such uncertainty is unfair to them; and they should not be asked to determine the question. Whichever way they vote they will incur blame on themselves and, we repeat, it is not fair to them. It will be far more conclusive to take direction from a majority of the citizens, the merchants themselves being a considerable body of the citizens.

It should not be difficult for the meter company to assent to such a reasonable proposal as that of holding over the determination of the contract for a further couple of months, until the December elections come along, when the meter vote could be taken. If the meters are to stay, they will stay for a long period.

We have our own view on meters; but the view is merely personal. The same goes for members of council. If a vote of the people is taken, that would be decisive and members of council could act accordingly.

TOO LATE!

Councillor Corbett, in his capacity as chairman of the Property committee, reported to council on a meeting he had had with the Arena board at its meeting on August 11. The board had requested the attendance of the Property committee, the other members being Deputy-revee Murray and Councillor Davis, but only he himself showed up, Mr. Corbett stated.

The Property committee chairman said the "notorious east end of the arena had been inspected," and the Arena board was asking for the installation of a retaining wall and drainage. This would be major work and Mr. Corbett told council that he considered it was far too late in the year to engage on it. Had the board asked for this work to be done in the spring, he said, something could have been done about it. It was now "too late" to think about it this year.

Reeve Cook attended the inspection with Mr. Corbett and the board. The reeve told council that it was major work of such a character that he was not in a position to estimate its cost. "Costs might run anywhere from \$20,000 to \$50,000," Mr. Cook told council.

There you have two commentaries on the Arena board which claimed to have done a "good job" for the citizens and got their face-saving "Statement" signed by six members of council, including Reeve Cook. The Perryment report on the bad condition of the rink was before the Arena board on April 12, 1952. That report the board claimed as their "private property" and tried to reprimand Mayor Rose for making it known to the citizens.

"Too late!" If income should fall during the current season the responsibility will rest with Messrs. Underhill and Cousins and those who in one way and another, on the board and outside of it, are originally responsible for the publicity on the "deplorable condition of the rink," as Councillor Corbett described it.

VOLUNTEERS WELCOMED

The Recreation Commission holds meetings twice in each month, and on Thursday night, August 21, when the subject of junior hockey was under discussion, a member stated that he had heard it said that the Commission did not welcome outside help. The chairman, Mr. Don Glass, promptly intervened to say that the Commission very much welcomed any help from any source and hoped the press would assist in making this known.

We are very happy to give any help in publicising the work of the Recreation Commission, which is composed of a very enthusiastic group of members who are giving their services without any monetary reward, in helping forward good recreation for the town of Aurora. We have no criticism, but only praise, for the fine work that is being carried on by the Recreation Commission.

The Commission will be delighted in welcoming volunteers to aid it in its community work. Old hockey players who would be willing to give some of their time in training the juniors will be especially welcomed. It is felt that these volunteers could be recruited from the service clubs. Far from claiming a monopoly, the Commission will welcome volunteers to assist it with open arms.

COUNCIL SIDELIGHTS

Ladies Delegation To Council: Kennedy St. "Special Rate" Brings Smiles To Petitioners

We know of no poet who wrote rhymes on sanitary sewers. Even a dullard could string together a few couplets on trees, tobacco, or a weiner-roast. But not sanitary sewers. Yet for nearly two hours council talked on sanitary sewers, aided and abetted by doctors Boulding and Henderson and a member of the town engineering firm.

It must be nearly a year now since Doctors Boulding and Henderson came to council with a petition for sewers for their and the adjacent portion of Kennedy street west. They've never let go. Like a British bulldog with its teeth right into a choice morsel, they gnawed the problem through. They got what they wanted and finally went home, with smiles and words of thanks to council.

They've trekked to council again and again. When one petition didn't prove successful, they brought in another. And when that was found unworkable they replaced it. There'll be no more replacements. The victory has been won. Next time, perhaps, that we see Dr. Boulding at council it will be in connection with the program of tying up the town with a zoning by-law, to stay put for 21 years or more.

A Good Advocate. Let's turn from the Kennedy street crusaders for a moment to a nursery school and its competent advocate, Mrs. Larry Rubin, the wife of the proprietor of the I.G.A., who submitted her pleading with charm and effectiveness. She was accompanied by Mrs. Blue and Mrs. Hines.

There are many delegations to council. But seldom, too seldom, indeed, are they composed of ladies. We don't recall any delegation of ladies at council since Mrs. George Baldwin and Miss Leila Boynton came to tell the town fathers that the town library was reminiscent of the Middle or Dark Ages! One former member of council seemed uncertain of the location of the town library. That such an institution existed seemed to stun him!

Mrs. Rubin told council about the usefulness of nursery schools. She talked easily and convincingly. She knew her subject and spoke without notes. In the few minutes during which she addressed the sober town fathers she was always sure of her facts. The success of her pleadings was never in doubt. Her request for use of the south room was granted, subject to installation of fire protection.

We wish there had been an equal amount of clarity and brevity in the proceedings that followed. Remembering these, Mrs. Rubin's brief but well-informed observations stood out like an oasis in the subsequent wilderness of words.

A report from the finance committee, of which Reeve Cook is chairman, dealt with a letter received from Mr. J. A. Bolsby, representative for the town of Aurora on the York County hospital board, applying for a grant to the hospital.

Pointing out that the committee had given much time and serious thought to the request, the finance committee's report continued: "This request came early in the year, at that time the report was that no action be taken. The plan was thought impractical. Also the fact that the total deficit was reported to be sixty thousand dollars; we felt that we should not involve the town. This report (Mr. Bolsby's) states that with the exception of one municipality, Aurora is the only other municipality that has not made a grant. It was agreed that Aurora should make a grant this year of \$10,000 to the York County hospital."

Mayor Report. The finance committee also reported on the meters. The report showed the following figures since the meters were installed in October, 1951: Total receipts, \$3,603.81; penalties, \$500; \$4,103.81. Out of this amount \$1,544.09 has been paid to the meter company, with a further sum of \$257.83 cents due for payment.

After the payments to the meter company the total net revenue accruing to the town amounts to \$2,294.29.

Zoning By-Law. Councillor Tucker informed council that the zoning by-law had been revised, as well as the map, and that these would presently be brought in.

We have seen no schedule of the revised zoning by-law and cannot say what changes have been effected. There is one thing, however, on which property owners may be sure, namely, that the basic charac-

RECREATION COMMISSION

Presentation Of The Queen's Portrait To Aurora Firemen: Plea For Volunteer Helpers

The regular bi-monthly meeting of the Recreation Commission, under the chairmanship of Don Glass, was held on Thursday night, August 21. The following members were present: J. E. Buchanan, Rev. G. H. Purchase, Councillor Jim Murray, Les. Steadman and W. Davidson. Also present secretary-treasurer, W. Harvey Bell and recreation director, P. E. Perryment.

After the reading of the minutes, which were adopted, a letter from Mr. T. F. Swindle was read by the chairman, in which the writer expressed his continuing interest in the work of the commission and congratulated the members on their active community services.

Mr. Swindle expressed great interest in the reports from the recreation director. The letter was ordered filed.

Disease Storehouse. Councillor Murray presented a report on enquiries he had carried out, in company with Councillor Corbett, on the question of a storehouse for the commission's equipment.

Mr. Murray had ascertained that the cost of taking down the old barn would cost approximately \$200 and there would be the further expense of rebuilding it. A pre-fab garage could be built at almost a similar cost.

The chairman said that cost would have to be very carefully considered. He had hoped that

some cheaper means of storing their equipment might have been found.

The matter was left in the hands of the finance committee to bring in final recommendations at the next meeting of the commission in two weeks' time.

Present Queen's Portrait. The chairman requested a pause in the business discussion for what he described as a pleasant proceeding, and he called on Councillor Murray to undertake it.

This was the presentation of a portrait of H.M. The Queen, given by the commission to the fire brigade as an acknowledgement of the use of the firemen's clubroom by the commission.

Councillor Murray said he felt honored to be called on to perform such a pleasant task and one that was so significant to all of them. Mr. Murray said he could not speak too highly of the Aurora fire brigade, who were (Page 12, Col. 3)

TOWN OF AURORA

DEBENTURES

Sealed tenders will be received by the undersigned up to twelve o'clock noon on Monday, September 8, 1952 for the purchase of the Town of Aurora serial debentures in the amount of \$285,000, maturing in 1972 for purchase of building for Public School and for new addition and for renovation and repairs and for equipment, according to the provisions of By-Law No. 1094 of the Town of Aurora, duly approved by the Ontario Municipal Board.

Tenders should specify offering prices on Debentures bearing four and three-quarters percent interest per annum for the full amount of \$285,000, and also on debentures bearing five percent interest per annum for the full amount of \$285,000.

The lowest or any other tender not necessarily accepted.

Sealed tenders should bear the notation "Tender for the Town of Aurora Debentures".

K. G. Moses,
Clerk and Treasurer,
Town of Aurora,
Aurora, Ontario.

TOWN OF AURORA

TENDERS FOR SANITARY SEWERS

Sealed tenders marked on the outside as to contents will be received by the Town of Aurora up to 5 p.m. Friday, September 5th 1952, for the supply of material and complete installation of approximately 1175 lin. feet of 8" Sanitary sewer on Kennedy St. W., Aurora.

More Sanitary Sewer extensions are anticipated in the same area this year.

Plans and specifications may be obtained from The Consulting Engineers.

Lowest or any tender not necessarily accepted.

Thursday, the twenty-eighth day of August, nineteen hundred and fifty-two

Aurora Social News

Mrs. Doolittle held a personal shower on Monday night for Miss Marjory Ballie who leaves shortly to go in training in the East General Hospital.

Mr. and Mrs. Guy Watson and daughter Lynda left Sunday for a tour through the Eastern States.

A number of children from the Presbyterian Sunday school were guests of the Exhibition directors at a luncheon on Children's Day at the C.N.E.

The Women's Institute held their August meeting at the home of Mrs. Klees, Maple St., on Thursday afternoon. Agriculture and Canadian Industries was the topic. Each lady brought an article made from bags for the bazaar.

Mr. and Mrs. Duncan McDonald were visiting last weekend with Mr. and Mrs. Ralph Lavery, Dorling.

There was a record attendance at the men's lawn bowling tournament on Wednesday afternoon and evening, Aug. 20. Prize-winners were: Tom Doyle for Newmarket, Mr. Atkinson for Goble Manor, Toronto, Irwin Watts, Aurora, and Charles Fry, Aurora. Over 40 bowlers attended.

Mrs. Charles Webster and Mr. and Mrs. W. O. McIntyre spent the weekend at Sandy Bay, Haliburton.

Mr. Bruce Armstrong of Toronto is holidaying with his grandparents, Mr. and Mrs. Leslie Wilson.

Rev. Bruce Underhill took charge of the morning service at the United church on Sunday. He leaves next week to take over his new duties as pastor of a church in Saskatchewan.

Mrs. Roy Fierheller paid a visit last week to her parents, Mr. and Mrs. J. A. Manning of Maple.

Dr. Ford Butler was recently in town calling on a number of old friends.

Mr. and Mrs. Ray Fuller and daughter Janet are leaving town on Saturday, August 30, for a three weeks' vacation in northern New York and eastern Ontario.

Mr. and Mrs. B. G. Whitelaw have returned from a visit to Haliburton.

(Mrs. Roy Fierheller, social editor of Aurora News Page, will be glad to receive locals and news items. Please phone 477m.)

Recreation Commission

(Continued from Page 11)

doing a wonderful job. He would ask the fire chief, Mr. Harry Jones, to accept the portrait of Her Majesty and in doing so wished him, and those working with him, to accept also the appreciation of the members of the commission.

Harry Jones said he had great pleasure in accepting the portrait of the Queen, and in thanking the commission for their gift. He said the firemen would deeply appreciate it. On receiving the gift the members of the commission gave Mr. Jones a hearty round of applause.

Ballet Festival

Mr. Les. Steadman said he wished to draw the attention of the commission and the press to a meeting that had taken place in the Legion hall in regard to a proposed ballet performance to be given in late September in the auditorium of the high school. The Toronto Ballet company would be engaged and arrangements for the festival were now under consideration. Further details would soon be available.

Director's Report

P. E. Perryment, recreation director, gave a lengthy review of playground activities. He said that all the playgrounds had proved successful, especially the new playground at Macchell's Ave., which was a great boon for the children in the neighborhood.

Mr. Les. Steadman said he could corroborate all that the director had said about the playground at Macchell's Ave. Citizens, he said, were appreciative of the fact that the children had been kept off the streets and had a place where they could be safe for their games.

Hockey Promotion

Arising out of the director's report, some discussion took place on ways and means of promoting junior hockey instruction. It had been charged, one member said, that the commission had wanted to keep these matters in their own hands.

The chairman said such an impression was entirely erroneous. The commission would be only too glad to welcome in old hockey players who would assist in the training of the youngsters. Mr. Glass was of the opinion that the service clubs might help in that connection.

Councillor Murray suggested that the press could give great assistance in the matter and hoped this might be done.

Tribute to Press

The commission expressed its regret on hearing of the illness of Mrs. Barker and the secretary was instructed to send a "Get Well" card.

In a general tribute to the services rendered by the press to the commission, the chairman said that without its assistance their work would not be known to the general public of Aurora. Mr. Glass said press representatives gave their time to attend the commission's meetings, and report them, and the members were appreciative of it. The meeting adjourned at 10.15 p.m.

MARION MONKMAN WINS SCHOLARSHIP

Marion Monkman, 18, is the winner of the John Stuart scholarship given to the student of Aurora high school district with the highest standing in grade 13. The scholarship carries a cash award of \$200. Marion received four firsts, three seconds and two credits in her recent senior matriculation examinations, principal J. H. Knowles stated. She will enter the training school of the Hospital for Sick Children, Toronto, this fall. Her parents are Mr. and Mrs. W. A. Monkman of Cousin's Drive.

Marion says it was her fondness of working with children and her experience in "baby sitting" that prompted her to choose a nursing career. She likes reading and the academic part of the professional training also appeals to her. The popular teen-ager is earning vacation income by working at Graystones restaurant.

She held the office of lieutenant in the high school cadet corps during the past term, and is a member of St. Andrew's Presbyterian church and choir. Lawn bowling is one of her recreation interests.

ANSNORVELD

Mrs. R. Matthews is in Toronto hospital for observation. We all hope that she will soon be able to return home again.

Mr. and Mrs. J. Utivugt have returned home again after spending two months in Grand Rapids and Chicago, U.S.A.

Mr. and Mrs. Duma and family of Hamilton visited Mr. and Mrs. J. Utivugt on Sunday.

Rev. Yif of Holland, Michigan, conducted the services at the Christian Reformed church here on Sunday.

Several American visitors were noted among the congregation.

A SON OF AURORA

Alderman Cliff Harman

If a history were compiled of the notable men and women who were born in Aurora during the past 100 years it would include writers, preachers, artists, doctors, inventors, and indeed representatives in all the distinctive spheres of activity. If for the best of reasons they found it necessary to leave the home-town for other locations, their loyal devotion to it as their place of birth did not diminish.

This is true of the man whose record we now briefly survey. Mr. Clifford Harman has resided in the city of Oshawa over a long period of years. He is the dean of the city council and has represented Oshawa citizens for almost a quarter of a century.

Clifford Harman is a son of Nathaniel and Ellen Harman. His mother was formerly Miss Ellen Staley. Nathaniel Harman was born in King township; Clifford was born in the home now occupied by Councillor Vic Jones, next door to Mr. Lambert Harman.

The family moved to Metcalf Ave., and again to Kinghorn, in King township, formerly the location of the Davis leather company, which was burned out in the year 1901.

Clifford attended Kinghorn school, but in 1901 the family returned to Aurora. Mr. Harman, who was born in 1893, married Miss Mary Jane Lappin of Derryneskin, Portadown, Co. Armagh, Northern Ireland, in 1917. They were married in Aurora. They have one daughter, Mrs. Jack Graham of Oshawa.

For some time Mr. Harman was employed by the Sisman Shoe Company, and later with Fleury's foundry, and later still with the Collis leather company. He was, for a time, in the service of the town of Aurora.

His first move to Oshawa was in 1920, where he was employed by the Robertson Leather Company. Back to Aurora, he returned to Oshawa in 1923. From that year he has been in continuous employment with G. M. C. holding the position of paint inspector.

In the year 1926 he was first elected to the Oshawa city council.

City Council Service

Mr. Harman has had a wonderful record as a city alderman. In 26 years he was out of council for only three years, two of

SNOWBALL

Mrs. Howard Morning and Cora spent Friday in Uxbridge, visiting Mr. and Mrs. Lorne James and son. Miss Cora remained for a few days.

Miss Sue Cawker of Oshawa is holidaying with her cousin, Miss Mary Kirton.

Mr. and Mrs. Russel Farren and family are holidaying with friends in the vicinity.

Mr. and Mrs. Oliver Gould and Leo of Newmarket spent Sunday with the former's parents, Mr. and Mrs. Wm. Gould. Others who called on Sunday were Mr. and Mrs. Delbert Godson, Mrs. Cal. Davis, Mr. and Mrs. Arnold Bray, all of Newmarket.

Mr. Robt. Weir of Schomberg spent Saturday evening with his niece, Mrs. Wm. Gould, and Mr. Gould.

Mrs. J. O'Malley of Toronto spent a couple of days with her sister-in-law, Mrs. E. P. Hollingshead. Mrs. Hollingshead returned with her and spent Friday at the Ex.

Mr. and Mrs. C. E. Conner attended the Campbell and Langley wedding at St. John's Anglican church at Jefferson on Saturday.

Mr. and Mrs. W. Pipher of Orillia called on Mr. and Mrs. C. E. Conner on Sunday.

SCHOMBERG

Misses Odile and Mabel Skinner, who have been holidaying at the Elgin house, returned home this week.

Mr. and Mrs. Leslie Cabell and Mr. Harry Cabell of Weston visited Mr. and Mrs. Albert Cabell on Sunday.

Mrs. Ed. Wood of Kettleby visited her sister, Mrs. Oriole Sloan, on Thursday.

We are sorry to report that Mr. Ford has been confined to bed for some time with shingles. We wish him a speedy recovery.

Mrs. J. J. Poole of Toronto visited friends in town the past week.

Mr. Douglas Brown motored to London, Ont., on Friday afternoon.

The bingo and ball game sponsored by the Lions club was well patronized and proved a wonderful success on Wednesday evening.

Mrs. McKinley and Della visited Mr. and Mrs. C. Rogers at Richmond Hill on Friday evening.

Mr. Elwood and Miss Cora Aitken visited Mrs. J. Beatty at Kettleby recently.

Mrs. Walter Thompson and Mrs. Aldin Winter spent Saturday at Woodbridge with their parents, Mr. and Mrs. H. Sawdon.

HIGH SCHOOL STUDENTS

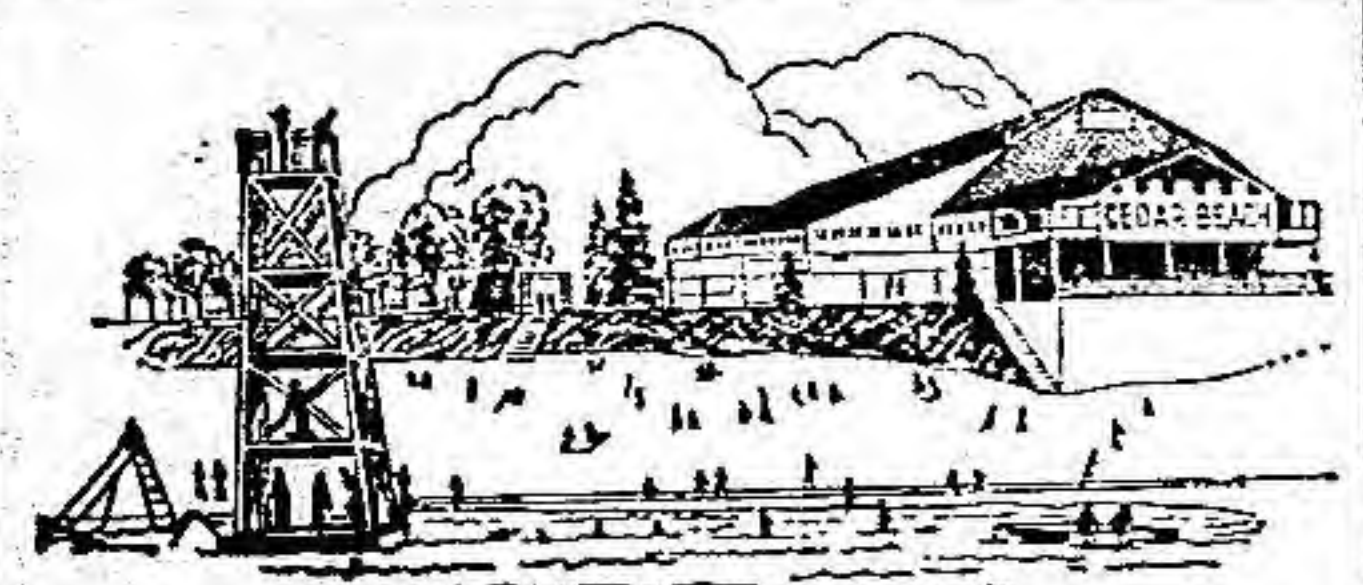

Students in Aurora district high school area who may want to attend a neighboring high school must apply first to the secretary of Aurora district high school. The same procedure applies in other areas for pupils who want to attend high school in Aurora. They should apply to the secretary of the high school in their area.

King City And District

Mrs. Laura Rolling, Phone 8, correspondent

The cement blocks of King Legion's new club house are being finished and the one-story building will be ready soon for flooring. Len Robb has been in charge of this part of the work. J. J. Wall of Oak Ridges will install the water service from Dew St. If sufficient help can be supplied the building may be completed this year. Located on a park site owned by the branch, the hall will be able to accommodate small functions of the Legion and Ladies' Auxiliary.

Excavation work for the new post office at King City was completed last week. The building will be 45 feet wide and 40 feet in length. Construction work will proceed soon.

New Library Sign
The large sign "Library" that has been placed on the little library hall in King memorial park, Doctors' Lane, is brightly painted in large letters. When King City village trustees install standards to set up street name signs, it might be a good idea if a library sign were hung on the standard at the corner of King St. East and Doctors' Lane.

Many newcomers of the district have been unaware of the library building is tucked away off the main street. Mrs. Jas. Rock, an official of the King City library board, arranged with a sign painter to have the job done.

Host to Local League

King City Lions softball minor leaguers at Strange, King, City and Temperanceville will be transported free of charge to the Maple Leaf stadium on Tuesday evening, Sept. 2. About 50 young players with two adults in charge of each of the three teams, will be the guests of the league club to see the doubleheader between the Leafs and Rochester. Jack Kent Cooke, owners of the Maple Leaf club, will see that the visitors are given free passes to the league game. The local Lions will provide the bus which will leave King City by six o'clock.

It is expected there will be two additional buses chartered for Lions' parents and everyone who is interested in encouraging the local teams. Adult charge will be \$2.25 per person, for transportation and admission to the stadium. Tickets can be purchased from Lions members. It is hoped a good turnout will patronize "King Night with the Maple Leafs."

Visitor from Winnipeg

It was 13 years since Mrs. S. Burt of Winnipeg had seen her brother, Mr. Raymond Burt, and on Sunday, she and her son Terrence paid a visit at the Burt home. They were motored here by her niece, Miss Elsie Jones, Toronto. Mrs. Burt is staying in the city and will see her brother-in-law and his wife there before she leaves for the west again.

As the former Ivy Ridout of Toronto, she served as a W. A. missionary at Lac La Poudre, northern Saskatchewan, where she married Stan Burt who was a factor with the Hudson's Bay Co. She had travelled by caravan to the north when she first went as a missionary, sent out by the Toronto W. A. diocese. This was an arduous trip for the young woman, but later, after she had come to Winnipeg where her son was born, she made the trip back on one of the first northern air routes, requiring only an hour and a half. Her son was three weeks old at the time.

Other visitors of the Burts at King City have been Rev. Jack Wilson and his wife of New Westminster; Mr. and Mrs. Frank Harris of Toronto.

Mrs. T. L. Williams has returned from three weeks' vacation at Pleasant Point, Sturgeon Lake, visiting her brother, Duncan Sinclair, and his wife at their cottage. Mrs. Williams spent a few days on her way home with her niece, Mrs. Bill McCrae at Lindsay.

Mr. and Mrs. George Brown, with Mr. and Mrs. Bill Cutting of Kettleby, spent a recent weekend at "Red Sidney," near Huntsville, with friends of the Cuttings.

Nursery School Reopens Sept. 15

The opening of the second term of Mrs. Burwell Jackson's nursery school will be held at her home in King City on Monday, Sept. 15, at 9 a.m. Registration of pre-school children, three to five years of age, may be made at her home now. The children attend this attractive school from 9 to 11.30, Monday through Friday, in the regular school weeks of the year. Mrs. Jackson had ten pupils last term and the closing day when parents and friends were invited was a thrilling experience for the children.

Request Children Register

The trustees board of S. S. 2, King, requests parents to register children commencing school with the secretary, Mr. Ray Burt, at his residence on King St. in King City. On Sept. 3, when school opens, the board will decide up to what age children will be admitted. The policy laid down by the board has been that children must be six years old by Sept. 1. Because there are some whose sixth birthday falls soon after that date, the number of those to be admitted would depend entirely on the accommodation, age seniority to count. Mr. Burt will receive registrations at the convenience of parents.

To Supervise Music
The return of Mr. Elmer Har-

ris of Aurora is being keenly anticipated at S. S. 2, where he takes over the music supervision next week. He will be in charge of the three classrooms, making weekly visits to the school to conduct singing and music appreciation. Mr. Harris was approached by the trustee board during the summer.

He conducted the local school music with fine success a few years ago and the impression of his training has not been forgotten. At that time Mr. Harris enjoyed his work at King, and felt that teachers, children and parents displayed great interest in producing good voices. There was an interest too in music festival competitions which might be revived when the children are adequately prepared.

Mr. Harris replaces Mrs. Florence Rivers who supervised for the past three years.

Gift to Interim-Moderator

In appreciation of his services as interim-moderator of the Presbyterian charge, Rev. W. W. Weir was presented with a leather travelling case, suitable for carrying his clergy's robe and papers, by members of the congregations of Eversley, West King and Strange in July. Mr. Weir acted for Presbytery until Rev. D. C. Woltherspoon was inducted. A letter of thanks from Mr. Weir was read to the congregations of the three appointments at their services last Sunday.

Mrs. Fleet of Ottawa will come to King on September 2 to pay a visit to her son, Arthur Fleet, and family.

Mr. and Mrs. Arnold Peter, Brian and Grant were vacationists to Kenora and Winnipeg, returning home last week after a very enjoyable motor trip and visit with relatives. At Kenora, they visited Mrs. Peter's brother, Mr. Frank Lett who is on the staff of the Collegiate Institute there. In Winnipeg they spent some time with Dr. Norman Peter and Mr. Walter Peter, brothers of Arnold Peter.

Carol Parker and Bill Cairns were among those to win third class ribbons at the Thornhill aqua meet last Saturday. Others from here may have won recognition but we do not have their names. The big closing day and final awards will be made this coming Saturday, when the children from King and Maple districts who have attended classes during holidays will be given awards. The King children were given transportation twice weekly by King City Lions club.

Stag Party for John Pringle

Mr. Douglas J. Scott was host to 10 friends of John Pringle at a stag party in his honor at "Glen Echo," last Saturday evening. The young men came from Nobleton and Toronto. Bill Pringle, brother of the groom-elect, was among the guests who presented him with a bedroom electric clock. The son of Mr. and Mrs. Stanley Pringle of Schomberg, John will marry Miss Donna Margot Bernath, daughter of Mr. and Mrs. Everett L. Bernath of Weston, on Saturday, Aug. 30. Douglas Scott will be groomsmen for his friend.

"The Gully Hide-Out" is the mysterious name given to a tree-top house built by Ronald Parker, aged nine, and his young friend, Peter Rawlings, assisted by other playmates. The lofty three-sided house is built 14 feet above the banks of Grandpa Folliott's gully at "Sunni Acres." The boys have to climb up the tree before they can reach the playhouse. Nobody knows how they managed to get it built so far off the ground. When you want to leave the house once you are in it, you make a leap to the high side of the bank. If you are lucky enough to light right side up, all's well. If not, you just roll yourself down into the creek bed.

Mr. and Mrs. George Mitchell and daughter, Maureen, of Toronto recently paid a visit to Mr. and Mrs. Adam Davidson, who with their children, Rosemary and Heather, took the Mitchell's to Summit View restaurant, Jefferson, for one of Lawrence Folliott's famous chicken dinners.

Mr. Ray James, Toronto, spent the weekend with his friend, Don Deane, of King Ridges. Frank Deane, a brother, has joined the R.C.A.F. and leaves this week for training at Montreal. Frank Adamson of the community has also enlisted in the air force and will train at London, Ont.

Dr. and Mrs. Jim Snelgrove, who moved from King to Springfield, Mass., in June, will move into a new home at 33 Banks Ave., West Springfield, by September 1.

Mr. and Mrs. Ken White are planning to leave the village and take up an apartment at Lansing in September. The newlyweds have made their home at the home of the bride's parents, Mr. and Mrs. A. E. Kelley, since their marriage on July 10.

Mrs. Fred Hallman and son, Bruce, 4, of Woodstock, were visitors at the home of Mrs. Dan Rawlings last week. They spent the opening day at the C.N.E. with the Rawlings.

Mrs. C. H. Stewart has returned from a ten day visit with her relatives at Stratford and Carleton Place. Her brother, Archie Babb of Carleton Place, and his sister, Mrs. Newton Clarke, and husband of Stratford, motored

Old Cadden Home Sold To Richmond Hill Buyer

John J. Kemp of Richmond Hill has purchased the Cadden property, fourth concession, at King and Vaughan townline, from Bert Cadden, 3rd concession. For more than 50 years it was known as the Cadden home and included four acres of land originally taken off the Walkington farm. The late Andrew Cadden passed away at an advanced age last December, and it was here that his only child was born.

To go back further in history, Mr. William Ash of Lake Wilcox built the house 58 years ago after he and his bride lost the original house from fire. Mr. Ash had purchased the first dwelling from a Mr. Brown and he believes the property was settled on 80 years ago. Mr. Ash sold to Mr. Cadden about 55 years ago at the handsome price of \$600, a good deal in those days. It is a frame building comprising seven rooms and was the look-out post at the turn of the roadway.

After the death of his wife, Mr. Cadden, who was a King mail carrier for many years, lived alone until he went to live with his son a year before his death. Mr. Kemp is busy installing electricity in the house and intends making improvements. Already he has levelled the grounds. The Kemps have a 13-year old daughter who will attend the local school.

her home on Sunday.

In July Mrs. Stewart entertained her sister, Mrs. Bernard Ling, of New York City, and her aunt, Misses Clara and Jeanette Babb of Stratford.

Mr. and Mrs. William Thomson of Leaside observed their 10th wedding anniversary on Aug. 14. When William Thomson married Hazel McBride in August, 1925, the wedding was held on the lawn at the McBride farm.

Planning Fall Work

Kingcrafts group conveners are organizing plans for the coming year's work. A meeting of the leather group was held at the home of the convenor, Mrs. Stan. Hunter, on Aug. 19. The purpose of the gathering was to determine how many are likely to compose this group, what type of leather craft they would like to do and what instructor they want. It was decided that Mrs. Hunter and Mrs. Roy Bowen interview instructors and report on Tuesday, Sept. 2, at a fuller meeting of the group at the home of Mrs. A. E. Kelley, at 8 p.m.

It was also decided that monthly instruction should be given by a teacher of leathercraft and that the experienced members of the group give lessons to beginners and teenagers. All former members of the leather group and now members are requested to attend the meeting on Sept. 2.

Next week, the weavers will arrange a meeting when the convenor, Miss Evelyn Courtney, has returned from vacation. The smockers will meet on Sept. 11, at 8 p.m., at the home of Mrs. Earle Scott, Mrs. W. Finch, the convenor, in charge.

Mrs. Norris, ruggers convenor, held a meeting of her group last week. It was decided that work on the special exhibits rug will commence as soon as wool has been procured. Twelve were present who are anticipating a very interesting season. On Monday, Sept. 8, at 2.30, ruggers will meet at the home of Mrs. Partridge, 7th con., Vaughan township.

Lady Flavell, Kingcrafts president, was present with the leather group and the ruggers when plans were being organized. On Wednesday, Sept. 24, a general meeting of Kingcrafts will be held at Kingswood, the home of the president.

Social Tea at C.N.E.

We attended the afternoon tea given by Mrs. J. A. Northey, wife of the president of the Canadian National Exhibition, for the director's wives and friends on opening day, Aug. 22. It followed the directors' luncheon and the formal opening by Hon. Vincent Massey, governor-general.

The tea was given in the balcony of the Women's building with 300 invited guests in attendance. Receiving during the afternoon were Mrs. Northey, Mrs. Robert Saunders, Mrs. W. A. Harris, Mrs. David A. Balfour, wife of Controller Balfour, and Mrs. R. C. Seagrave, wife of Weston's mayor. The gathering was informal and very pleasant.

Mrs. T. L. Williams will attend the afternoon tea at the C.N.E. on Sept. 2, International Day and National Health Day.

Mrs. Wm. Carson held a small family gathering at her King City home last week, when her mother, Mrs. Robert Graves of Sharon, and her sisters, Mrs. Walter Couch and son Dave of Holt, Mrs. Howard Pegg of Sharon, and Mrs. Frank Wildfield of Newmarket, enjoyed the day, having luncheon and supper with Mr. and Mrs. Carson. Mr. and Mrs. Jack Clift (Arlene Carson) of Schomberg and Mrs. Ewart Patton of King City, joined the party.

Mrs. Graves, who is 94 years of age, is the life of the party. With neither a "palm or acho" to mar her good health, she was looking remarkably smart in a wisteria dress, which brought out the color of her pink complexion. For many years Mrs. Graves made her home in

Newmarket but has lived with her daughter Mrs. Pegg since she retired from active housekeeping.

Riddell Farm Sold

Mr. Frank Newton, 6th line Vaughan, has purchased Bob Riddell's 150-acre farm, 5th con. and King and Vaughan townline, and will take possession in the fall. The Riddells will move to their farm on Yonge street, south of Aurora, 200 acres which were formerly owned by Mr. Bruder. The change means that Kinghorn school will lose Don and Janet Riddell, who will like to attend Aurora public school. Mr. and Mrs. John Riddell, Bob's parents, have been living on the Aurora farm for the past two years since their son Britton took over the home place, south of King village. Bob has been working his two farms and the move gives him full time on the Yonge Street place.

Mrs. Jas. Patton and daughter Hilda were in Toronto last week, staying with Mrs. James Nield, whose husband was in the Parry Sound district on a fishing holiday. Mrs. Nield and her father, Mr. James Patton, journeyed by train to spend the weekend at the resort before her husband returned home.

Mrs. Frank Bayne of Guelph spent a week with her friend, Mrs. E. M. Legge. Their friendship began when the late Mr. Bayne and his wife kept store in King City in what is now Green's General store. Mrs. Bayne is an ardent member of Guelph Horticultural Society and grew fine flowers when she lived at King.

Mr. Clifford Douglas, manager of the Knollwood Farm, New Scotland, is slightly improved from treatments for sciatica, which has kept him from work more than a month.

Shower For Bernice Cairns

On Friday evening, Helen Ber-

nice Cairns, Kennedy St., Aurora, was completely surprised to find nearly 30 former school chums and friends meeting at her home to present her with gifts in a variety shower arranged by Joan Seaton, Aurora, and June Hollinshead of King. Her marriage to Howard Dale Agar of Richmond Hill takes place on Saturday, Sept. 6, at King City United church, at 3 o'clock. Ruth Hollinshead and Allen Scott of King were among those present. Mr. Agar helped his fiancée open the gifts. Refreshments were afterwards served by Mrs. Arwood Cairns, the bride elect's mother. The groom-elect is the son of Mrs. Agar of Richmond Hill and the late George Agar. The young couple will live in a new home that Dale has built on the 4th of King at the south townline.

Win League

Strange softball club of boys from Strange, Kinghorn and Laskay, are proud winners of King City Minor Baseball League. Each player will be awarded a crest given by the Lions who sponsored the league.

They defeated the Temperanceville club on Aug. 20 at the finals played before 50 spectators in King Memorial Park 13 to 8. Both teams had won a game each in the two out of three play-offs, after King City boys were eliminated by losing two successive games. John Mabely of Richmond Hill umpired the fast-moving teen-age contest.

One of the first moves the newly organized K.C. Lions club undertook this summer was the formation of a 3-team league for boys under 15, comprising Temperanceville, King City, Strange, Kinghorn-Laskay. Wilbert Jennings, chairman of boys and girls activities, has been assisted by 2nd vice president, Jack Walkington, and a committee. Commencing on May 24 games

Couple Ride In Style

A Hillsburg wedding with an unique bridal party procession which braved rain showers was held on Saturday afternoon, Aug. 16, when Mary Nodwell, eldest daughter of Mr. Mungo Nodwell and his wife, Lilian Ferguson Nodwell, B.A., was united in marriage to Richard Buckle, a young district farmer. Rev. Aitken, Presbyterian minister at Hillsburg, performed the ceremony in the home of the bride's parents.

The only flowers used at the scene were standards of beautiful variegated gladioli given away by her father, the bride, just 18, was prettily attired in sheer white organdy with off-the-face white hat. Patsy Nodwell, her sister, was bridesmaid, wearing a fitted blue organdy street length dress and hat. The tall groom wore a navy suit and suitable music was played by an accomplished pianist.

After the ceremony, the sun broke forth and the guests witnessed an unusual bridal procession. Seated in an old buggy, devoid of paint and cushions, the

newlyweds were drawn by a farm tractor, driven by a friend of the groom. But the weather was again temperamental and as rain poured, the groom held an umbrella over his bride.

Next in the procession was an old jeep driven by a young lady. Seated on carpet-covered engine of the vehicle were the bridesmaid and her escort. From the axle of the jeep clanged cowbells.

After touring the town, the sun shone once more and refreshments were served on the garden terrace. Afterward, the couple left in their car for a honeymoon trip through northern Ontario. They are now residing on the groom's farm near Hillsburg.

Miss Alice Ferguson, grand aunt of the bride, and Miss Carol Muske of King City, Mr. John Ferguson, her cousin, with his wife and daughter Joanne of Toronto, were among the guests. Mr. Ferguson came from vacation in Haliburton district to take his aunt and Miss Muske to the wedding.

were held on Wednesday and Friday evenings weekly.

During the season, Mike Gillies and Harold Hollinshead coached the west King teams; Wilbert Jennings, the Temperanceville club, assisted by Charlie Henshaw; Arnold Peter coached King City. John Mabely and Clarke Archibald have been umpires and Jack Walkington kept the scores.

Three McNaughton brothers played in the Strange team, Louis, catcher, Francis, first base, Ed as right fielder (replacing Bobbie Anderson), Bob Arbuckle, pitcher; Don Riddell, 2nd base; Ross Gillies, 3rd base; Doug Hollinshead, short stop, Ed Etheridge, left field, John Busby,

CORRECTION

The picture appearing on this page last week under the heading of the King City Lions club was wrongly entitled. The picture showed members of the Oak Ridges Lions club. The editor regrets the misunderstanding out of which the mistake arose.

CENTREPOISE POWER
Engine vibration and power impulses are "screened out" - isolated from driver and passengers. Engine rides flexibly suspended between new high-side mountings... centred, poised, cushioned in rubber.

EXTRA LARGE BRAKES
Chevrolet's Jumbo-Drum brakes, with their big 11-inch brake drums, apply more leverage for more stopping power. Stops are smoother, safer, with less driver effort. Branded linings last up to twice as long.

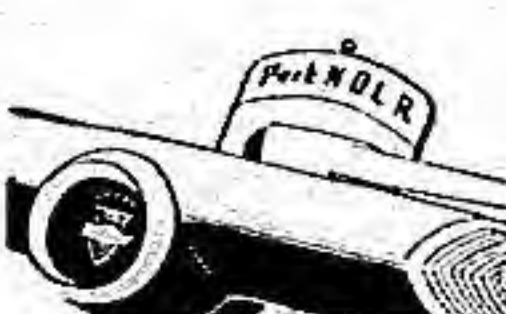

UNITIZED KNEE-ACTION RIDE
Chevrolet's famous Knee-Action ride is now even softer, smoother. New shock absorber action smoothes bumps and jolts more quickly and effectively than ever.

EXTRA WIDE TREAD
Chevrolet measures a full 58 1/4 inches between centres of rear wheels - providing a broader base to give you more stability on the road, less sway on the curves!

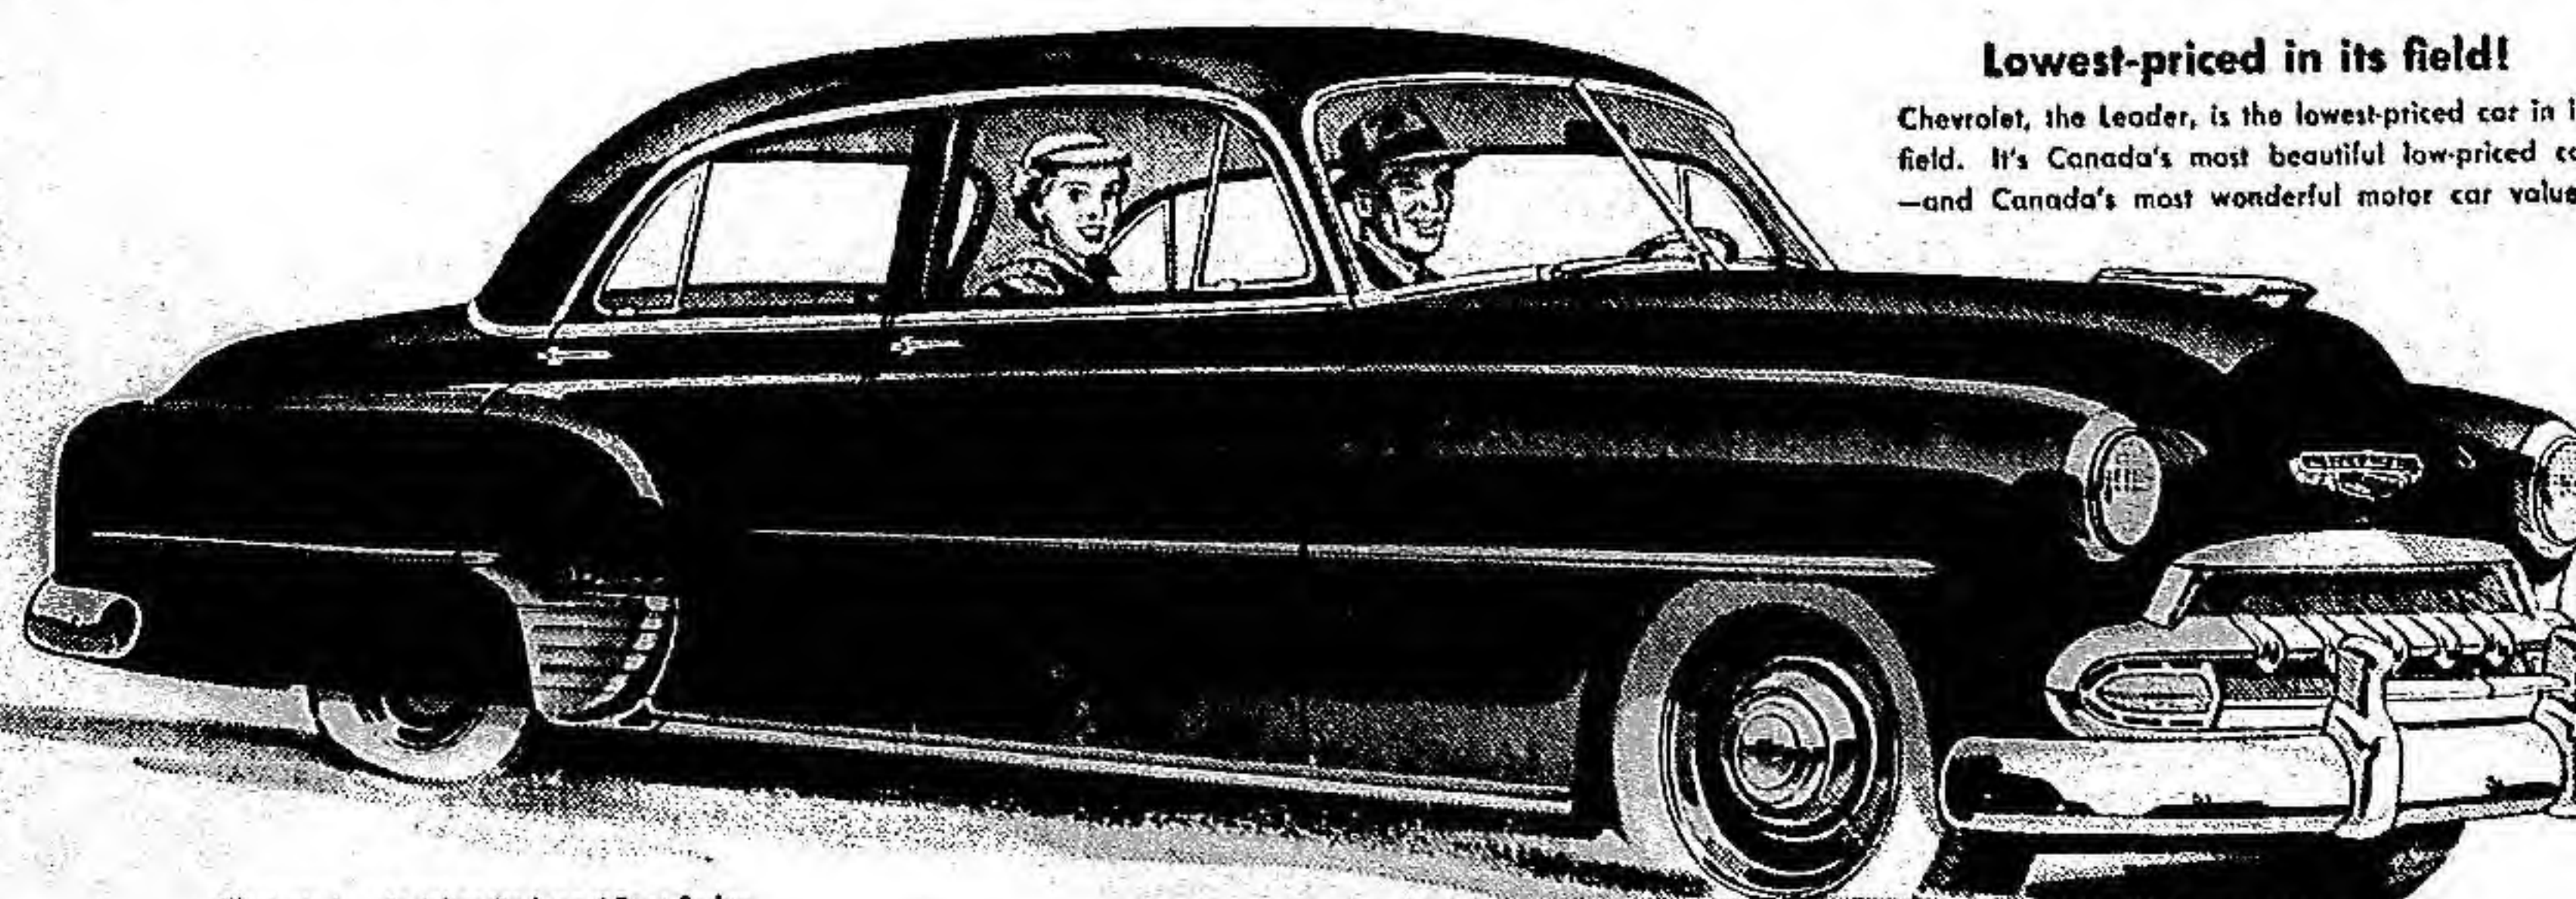

POWERFUL VALVE-IN-HEAD ENGINE
Teamed with Powerglide is the powerful valve-in-head engine - an outstanding performer! This Powerglide engine's hydraulic-fueled valve lifters are another important Chevrolet exclusive. Powerglide automatic transmission available on De Luxe models at extra cost.

POWERGLIDE AUTOMATIC TRANSMISSION
It's an oil-smooth, oil-cooled automatic transmission. It's simple with fewer parts to wear or require adjustment. It's smoother because oil does it all without complicated intermediate gears. Optional on the Luxe models at extra cost.

See
all these
EXTRA
features of
Chevrolet

Canada's lowest-priced fine car!

No other car in Chevrolet's field offers you such a wonderful array of extra features. Yet Chevrolet is the lowest-priced fine car... Come see... come drive... the car that rates first in popularity... first in features... first in fine car quality... at lowest cost!
